THIRTY-EIGHTH YEAR NO. 24.

CEDARVILLE, OHIO, FRIDAY, JUNE 11, 1915

PRICE, \$1.00 A YEAR

Cedarville College Commencement

The nineteenth annual commencement of the college was really a dramatic and historic occasion. The weather, which had been threatening and showery all week was finally very propitious. A larger attendance than usual was in evidence. The music was furnished by the McOwen orchestra of Springfield. The address of the day was delivered by Rev. Simon D. Fuss, LL. D., President of Antioch College, and congressman from this district. It was an eloquent and masterly presentation of the claims of society upon educated youth. The various candidates for degrees and diplomas were then presented on behalf of the faculty by the Secretary, Prof. Leroy Allen, and the degrees were conferred and the diplomas awarded, by the president, Dr. David McKinney.

The diploma of the preparatory department was awarded to Andrew Roger Collins, Cedarville, Ohio, and Hazel Dell Gardner, Idaville, Ind. The diploma of graduation in piano was given to Inez Emma Conner, Jamestown, Ohio, and Helen Groszall, Cedarville. The degree of Bachelor of Arts was conferred upon Harry Freeman Bird, John Roscoe McCormick, Cameron M. Ross, Wilma Spencer, Cedarville, Ohio, and Clarence Joseph Lloyd,burghill, Ohio.

The honorary degree of Doctor of Divinity was conferred upon Rev. John Wilson Bickett, pastor of the second United Presbyterian church of New Concord, Ohio, a member of the first graduating class of the college, upon Rev. R. F. Kickpatrick, Memphis, Tenn., and upon Rev. William Leonard Spiegel, co-pastor with Dr. McKinney of the first Presbyterian church of Cincinnati. The honorary degree of Doctor of Law was conferred upon Dr. Albert J. Freiberg, of the University of Cincinnati.

Dr. W. R. McChesney, Dean of the college, then presented to Bertha Alida Stormont, Wilma Spencer, and Clarence Joseph Lloyd provisional high school certificates, signed by the state superintendent, Frank W. Miller. These certificates are given to graduates of the new school laws. They permit their holders, without examination, to teach in any high school or to superintend school in any school district in the state of Ohio for a period of four years. After three years of successful teaching, these certificates can be exchanged, also without examination, for state high school life certificates. These provisional certificates were obtained as a result of the establishment in the college this year of a new normal department of education.

Dr. McKinney then read his letter of resignation as president and made a few farewell remarks. Dr. W. R. McChesney then read resolutions that had been adopted by the Board of Trustees in appreciation of Dr. McKinney's administration of twenty-one years. Dr. McKinney thanked the Board and then introduced Dr. McChesney as the second president of Cedarville College. Dr. McChesney, in a few chosen words expressed his appreciation of the honor that had been placed upon him and his determination, by the help of Almighty God, to carry forward the work so nobly begun.

During the twenty-one years of Dr. McKinney's administration, three buildings have been secured, the endowment has been more than quadrupled, over one hundred and sixty graduates have been sent forth, many young men and women have been better fitted for life's duties, and the reputation of the college has been firmly established. Dr. McChesney since his accession has received many pledges of support and assistance. He is eminently well qualified in every way for the functions of his high office. With the brightest prospects on all sides, there can be no doubt of his ability to continue with the greatest success the work so well started.

NOTICE.

Smith Huffman, Plaintiff vs. Emma Huffman, Defendant. Greene Co., O. Emma Huffman, residence unknown, will take notice that on May 22, 1915, said Smith Huffman filed in said court his petition for divorce against her upon the grounds of wilful absence for more than three years and adultery and that the same will be for hearing at the court house in Xenia, Ohio, on July 10, 1915, at 9 a. m., or as soon thereafter as the same can be reached by which time defendant must answer or demur to said petition or judgment may be taken against her.

NON-PARTISAN BALLOTS FOR FALL ELECTION.

Under the new law which is now effective, primary election for nomination of municipal officers have been abolished in towns with a population of less than 2,000. Nominations will be made by petition and same must be filed with the board of election not later than September 3rd. Instead of separate tickets with the party emblem at the head, a non-partisan ticket will be voted. All candidates names will appear upon the ballot without any party designation. It is claimed that under this system the people will be enabled to choose better officials and their vote will not be biased along party lines.

Grand Jury Is Recalled.

The Grand Jury has been recalled for Monday, June 13. Among the cases for consideration are Forrest Gook charged with cutting and injuring to kill; Alfred Smith and Leroy Taylor, alleged horse stealing; Rodney Givens, Percy and George Steeley, charged with the theft of 13 pieces of wool on the Thompson farm near Bowersville.

Robinson Gets Works Sentence.

"Manny" Robinson is nursing a bruised head as a result of coming in contact with Marshal McLean's mace Tuesday night. Robinson was found dead drunk in front of the telephone exchange and Marshal McLean assisted a fellow to the jail. When he endeavored to take him into the mayor's office there was a scramble and the mace was brought into action with same result. When placed in the jail Robinson again showed fight and struck the officer making an effort to break away. Once again the mace landed on the Robinson dome and into slumber land he went. Mayor McFarland placed a fine of \$5 and costs for drunk and \$50, costs and \$30 days, on a charge of resisting an officer. Guilty was admitted in each case owing to an over supply of booze and the trip to Crosville was made Wednesday afternoon.

MORE DAMAGED WHEAT THAN WAS ESTIMATED.

There is every indication that the damage to the wheat crop in this vicinity by the fly and smut is much greater than was at first thought. Not many fields have escaped and it is predicted that there will not be much more than one-fourth of a crop. Many farmers are plowing up their wheat and will plant corn in its place. It will also effect local dealers to a great extent. One firm has contracted over ten of hunder twine and has sold seventeen binders and the damage to the crop may cause the cancellation of many orders.

COLLEGE SUMMER SCHOOL AN ASSURED SUCCESS.

That the first session of the Cedarville College Summer school will be a great success is indicated beyond doubt by the number who have already signed their intention of attending as students. No less than seventy-three had expressed themselves for last Monday. These are regarded as certain. Many others are considering the matter and of these doubtless a goodly number will enter when the time comes.

The faculty list is now almost complete and includes thirty-two names. The applications of some others are being considered and a few more will be added as there is seen to be need. Quite a number of these are teachers who themselves wish to take summer school work, but will teach part time. These already engaged instructors are: President Dr. W. R. McChesney, Prof. F. A. Jurkat, Prof. Leroy Allen, Prof. L. D. Parker, Prof. C. A. Devore, Miss Elizabeth Blair, Prof. C. C. Morton, Fred Ford, Miss Florence Clemans, Mrs. Jessie Russell, Prof. Burns, E. E. Jackson, Supt. J. P. Nunnemaker, Prof. Harter Wheeler, Prof. James M. Haggerty, Prof. Logan A. Waite.

An aim will be made to give every student the subjects he wants. In order that students in this community may get what they want without confining themselves to a single school, Prof. Allen what subjects they wish to pursue. Pupils of both high school and elementary grades are still needed for the training classes. There is no charge for tuition in these classes. Text-books will also be furnished free. These pupils will be kept for but a short season each day and will receive a splendid drill. Those wishing to enter these training classes should call up Prof. Wright.

The regular tuition for the summer will be ten dollars. This will permit the student to take anything he wants in college, normal, high school or public school work. The fee for music will be four dollars for the six weeks. Normal training is ten dollars. Domestic science is a graduate of the Ohio State University with the degree of Bachelor of Science in Home Economics. She has also taken a part of her work in the College of Education. For four years in the public schools of Columbus. She comes most highly recommended, and it is believed that an exceptional opportunity is afforded by her courses.

The opening exercises of the summer school will be held in the college gymnasium. The community is cordially invited to be present. All who can be there ought to lend their presence to increase the enthusiasm of the occasion. The opening address will be delivered by Rev. James Chesnut D. D. Special musical numbers will be furnished by Prof. Siegler and Mrs. Jessie Russell. The opening will be held Monday morning at 9:30 o'clock.

Band Concert Great Success.

The first band concert of the season was given in the public square Wednesday evening under the direction of the Board of Trade. Despite the fact that the temperature was lower than usual and a cool wind prevailed the crowd was far above expectations. The Clinton Band which has been engaged for the season, gave a splendid program. Another concert next Wednesday evening.

DRAFT STALLIONS.

Prince Albert, the Imported Belgian, the best sire of draft horses of high class ever in the county. Longjumeau, the Imported Percheron, black steel gray, has proven himself a very sure breeder and his first fifteen colts this season are extremely high class. He promises to be a second Prince. See these horses, both are in perfect condition and will stand for public service at the farm on the Wilmington Road just south of Cedarville. Terms, \$20 for either horse for a satisfactory colt.

Phones, barn 13 on 108 and 25.

Instill Justice.

Justice is the great principle of the business and social world, and you will be rendering one of the greatest possible services to your child if you instill it within his soul as a young child. By this same principle of justice he will not only learn later what is due to his fellows, and how to grant it, but will also know what is due to himself, and how to exact it.

Inspiration.

Half the difficulty of fighting any severe battle or accomplishing any hard task vanishes when a man feels that he has comrades at his side fighting in the same cause, or that the eyes of those he loves are upon him, and their hearts praying for his victory.—G. J. Perry.

COLLEGE FACULTY ORGANIZED.

At four o'clock on commencement day, June 4, Dr. McChesney called the faculty together to plan for the work of the coming year and of the new administration. He announced to the faculty the following distribution of administrative functions among the various officers:

1. The president, Dr. W. R. McChesney.
2. Supervision of all college activities in general.
3. Supervision of the moral and religious life of the college and of the individual students.
4. Delivery of addresses, lectures, sermons.
5. Solidifying funds.
6. Canvassing for students.
7. The treasurer, Prof. F. A. Jurkat:
1. Care of funds.
2. Purchase of supplies.
3. Management of book department.
4. The dean, Prof. Leroy Allen:
1. Correspondence with prospective students.
2. Distribution of scholarships.
3. Management of teachers' employment bureau.
4. Editing, publishing, distributing college bulletins and other literature.
5. Canvassing for students.
6. Making schedules of studies.
7. The secretary of the faculty, Prof. Alberta Groszall:
1. Recording of minutes.
2. Keeping record of absences.
3. Preparing diplomas.
4. Supervision of literary, oratorical and dramatic affairs of the college.
5. The registrar, Prof. L. D. Parker:
1. Registration of students.
2. Recording of grades and credits.
3. Issuing statements of credits.
4. The corresponding secretary, Prof. Eleanor K. Holliday:
1. Conducting correspondence of the faculty.
2. Furnishing news items to the papers.
3. The financial secretary, Prof. S. C. Wright:
1. Soliciting funds.
2. Canvassing for students.
3. Securing rooms and boarding for students.
4. Securing work for students.
5. Supervision of all student publications.

At this meeting the faculty unanimously adopted the following resolution: "Whereas, Dr. W. R. McChesney has this day, by virtue of his election by the Board of Trustees, assumed the office of President of Cedarville College, and

"Whereas, on account of his Christian character and influence, his eminent ability as a teacher and preacher, his scholarship and his loyalty to the college throughout the twenty-one years of its history and of his faithful service, it is altogether fitting that this high honor and responsibility be conferred upon him, and

"Whereas, we heartily approve of his election to the presidency,

"Therefore, Be it resolved that we pledge him our cordial united, and individual support, co-operation, and prayers in the performance of his difficult duties to the end that, by the blessing of Almighty God, his administration may be successful in upbuilding this institution, in advancing the cause of truth and right and humanity, and in helping more firmly to establish the kingdom of Christ on earth."

The president then announced the motto for his administration: "Good words for everybody, friend and foe, and real service for all."

Plymouth Binder Twine SAVES TIME AND GRAIN

Twine is a small item, but good twine saves a lot of expense in harvest time. Every time your machine is stopped the delay costs you money. Time in harvest season is always valuable, and sometimes extremely precious on account of the condition of weather or grain. Be sure you use the best twine—PLYMOUTH TWINE. Then you will be safe from the annoyances, delays, expenses, which attend the use of inferior twines. Plymouth Twine works perfectly in every machine. More of it is made and used every year than any other kind, because it is known to be the best and has been for years. Binds more sheaves with less expense, no knots, no breaks, and is guaranteed full length and extra strength. Get Plymouth Twine from the local dealer. Look for the wheat-sheaf tag.

FRIDAY, JUNE 11, 1915

It is to be regretted that Governor Willis has seen fit to veto the best dog tax law that was ever passed in this state. The new law made it sure of the tax being collected and every dog would be tagged or otherwise killed by a proper officer. The revenue was to go into a fund to pay farmers for animals that were killed by dogs. We all know the loss each year caused by sheep-killing dogs and the passing of the law met with popular favor but did not seem to strike the governor. He evidently hasn't taken into consideration the thousands of sheep in the state that are at the mercy of the ownerless dog. Under the bill vetoed the assessor collected the tax and a tag was furnished for the dog which would protect it from the proper officer whose duty it would have been to kill all untaxed dogs. Under such a law no dog would be taxed or made away with. Any man that cannot afford to pay the dog tax has no business with a dog. The best part of such a law is if properly enforced would have been the doing away with the stray dogs that are a detriment to any community.

Editorial expression over the country following the announcement that Secretary Bryan resigned from the cabinet indicates that the great Commoner has faltered in the time of a crisis and retired rather than assume the responsibility necessarily placed on the administration. While on the face of the situation there seems to be no appearance of any particular break between the president and the secretary, yet it is known that their differences on many questions have been marked and that it would only be a question of how long the secretary would remain in the cabinet. Both Wilson and Bryan have been strong advocates of peace and it is said they differed on how the German situation should be handled. Mr. Bryan has a large personal following in the country but many of his friends and admirers of the past have taken a different view of his acts since becoming a member of the Cabinet. As a man of ability he probably has no peer in the country but his methods of accomplishing success through the adoption of his views has at various times been very unpopular. There have been hints that the Commoner still has presidential aspirations and his resignation may be taken as a step in that direction. From more than one source it has been intimated that unless the two leading parties declared for prohibition in the next election, the Anti-Saloon League and temperance people would enter the campaign on that platform and place a third ticket in the field. The only name mentioned in a ticket such as so far has been that of Mr. Bryan. The possibilities of either of the old parties declaring for prohibition are very remote and time only would tell whether Mr. Bryan would put such a ticket or contest with President Wilson for his second term on the Democratic ticket.

BREATHE FRESH AIR.

Do It Not Only by Day, but During the Night as Well.

Breathe all the fresh air you can get, night and day. That's what fresh air is for. The fearsome legend about the baleful influences of "night air" is only another of the carefully nursed insanities bequeathed from our ancestors, according to the United States public health service.

Whence this superstition arose may only be surmised. Perhaps it is a survival of the primeval cult of sun worship, which led the ancients to fear anything outside the sphere of solar influence. Our forbears were wont to caution their offspring to "be careful about the night air" or children were ordered to "come in out of the night air."

This idea is generally prevalent and even one of our well known flowers is loaded down with the horrible name of "deadly nightshade" as a sort of verbal relic of this old notion. The low lying mist or fog that sometimes gathers about the surface of the earth under certain atmospheric conditions, after sunset, was held to be "miasmatic" and pregnant with lethal possibilities.

The night air, minus the sun, is no different from the atmosphere of a sunless day. The atmospheric envelope of the earth does not change from benign to malign in the twinkling of an eye after sundown.

Diseases which involve the lungs can usually be traced to their beginning in poorly ventilated sleeping apartments, inside rooms that do not have a share of the atmosphere.

Those emancipated persons who open their windows at night will tell you unanimously that they cannot breathe in a chamber unless the window is raised. Their sense of comfort and vigor demands the life giving qualities of fresh air.

Making Children Think.
There is no end of discussion as to what courses of study shall be taken up by the schools. Different views are expressed, ranging from the bare outlines of the old-time "three R's" to the most elaborate idea of culture study, or more practical forms of teaching hand work and home arts. Meanwhile, there is one great essential running for all instruction. That is, that children be taught to think things out for themselves. Almost any course of study is good if this power is given.—St. Joseph News-Press.

"ON TO SPRINGFIELD"

WEEK JUNE 21

Great Industrial Exposition

Springfield, the second largest farm implement manufacturing city in the world, invites you to attend their second great industrial Exposition which opens in, the Shuey's Factories Building, Monday, June 21st and closes Saturday evening, June 26th.

Four Floors of the new Shuey Building occupying a half square devoted exclusively to a display of "Made in Springfield" products.

This Exposition will be one of general interest not only to the public of Springfield but to residents of this entire section of the state as the committee in charge have arranged for many novel and entertaining features along with the big "Made in Springfield" display. Each day in the week will be designated for some neighboring town and each evening for some Fraternal Society and special entertainment will be provided in keeping with the idea.

Space for a large Assembly Room will be provided in the Building where programs will be rendered each evening. Speakers will be engaged to lecture on topics of interest to the farmers, business men, manufacturers and the public generally.

The Exposition will be formerly opened with a reception by the Commercial Club, Merchant's Association and Industrial Bureau to E. L. Shuey, owner of this building, Monday evening.

These Organizations expect to have nearly their entire membership of 800 present as a mark of appreciation for the magnificent structure which will undoubtedly be of material benefit to the city of Springfield.

The Exposition will be opened from one o'clock each afternoon until 11 o'clock at night.

The famous Cadet and Yolo Bands will give special concerts each afternoon and evening.

All Springfield schools have been asked to make displays of some of the work done during the last school year. One section will be devoted to a big auto display which will be one of the features of the exhibit. A cabaret show will be given each afternoon and evening, and soft drinks and refreshments will be served. Admission only 10c.

Dr. Miller's Anti-Pain Pills for rheumatism

Word from Dr. J. W. Dixon and family Wednesday was that they had only reached Lexington, Mo., on Monday. The roads made traveling quite a task and occasionally a mule team was brought into use to navigate the Missouri mud. Fortunately they had met with no accidents up to that time.

Dr. E. C. Oglesbee and wife went to Columbus Monday where the former entered a hospital for examination. Wednesday their daughters, Helen and Dorothy Oglesbee, were called to Columbus, as an operation had been decided upon for Thursday. It is reported that puss had gathered about the lungs.

Mr. John Orr Stewart graduates from the Cincinnati Conservatory of Music, today. A recital was held at the Conservatory of Music last Wednesday, the Enquire having the following comment: "John Orr Stewart, pupil of John A. Hoffman, gave a song recital of considerable merit at the Cincinnati Conservatory of Music last Wednesday evening. Mr. Stewart's voice is a deep bass, rich in quality and texture, and his interpretations were intelligent, as well as sympathetic. He stood the test of his program with honor to himself and his teacher. The violin solo of Oliver Kibb, a pupil of Bernard Sturm, added variety and interest to the evening."

The automobile world was startled some days ago when the Packard people announced a twelve cylinder car for \$2450 after building for years cars of four and six cylinder that sold from \$3500 to \$5000. The past year is said to have been the greatest in point of sales the auto trade has ever known. Next year, the auto year starting this coming August, will find many reductions in prices. For instance the Buick company will sell a six cylinder car for \$2900, the Overland a four for \$3700 and two years ago cost \$1075; the Studebaker, a six for the price of a four and several companies will sell eight cylinder cars at lower prices than a four was sold for. Chief interest centers on what the Ford people will do. This year if 300,000 machines were sold every purchaser was to get a rebate of \$300. It is reported that next year the Ford will be sold for \$50 less and a rebate of \$50 additional on condition that a certain number of cars are sold.

Stop your bad breath with Dr. Miller's Laxative Tablets.

Miss Helen Graft, of Trenton, is the guest of Miss Anna Collins.

Dr. and Mrs. M. I. Marsh have been spending the week in Milford.

Messrs. Orland and Carey Ritchie left Thursday for Wooster where they will enter summer school.

Mr. O. M. Townsley has purchased the M. A. Creswell property on Chillicothe street back of the Orr property. The new owner expects to tear down the present building and erect a new bungalow near the center of the lot.

Miss Vera Andrew arrived home last Friday from Columbia University.

Mr. John Steel has purchased a Fordauto.

All who are interested in the Dry campaign are invited to be at the Council Chamber next Wednesday afternoon at 2:30 o'clock to meet either Mr. Hall or Mr. Summers. These men will give their joint debate in Xenia on Wednesday evening. During the day one will cover one half of the county and the other the other half, holding conferences with dry workers. It is urged that the Cedarville township organization and all who are interested be present at the Council Chamber to hear the one who visits Cedarville and then arrange to go to Xenia in the evening for the big meeting.

A quite wedding took place Wednesday evening at six o'clock at the M. E. parsonage when Mr. Walter Cullice and Miss Hilda Mullen of Xenia, were united in marriage by Rev. J. W. Patton. The only witnesses were Mr. J. E. Post and wife a brother-in-law and sister of the groom. Mr. and Mrs. Cullice were escorted to their home by a number of friends who had learned of the quiet event and a lively reception was given them. Mr. and Mrs. Cullice were guests at a dinner at the home of the groom's parent, Mr. and Mrs. William Cullice. Mr. Cullice is the proprietor of a flourishing meat market while his bride was a teacher in drawing in a large centralized school near Union City, Ind. The bride and groom will not take a wedding trip for the present. Both are receiving the congratulations of their numerous friends.

Miss Pauline Grindle entertained fifty friends Monday night expecting to hear the announcement of a coming wedding but their surprise was a marriage was announced as follows: "David Deek and Eva Townsley married Friday 6, 1915". The astonished guests then showered the happy couple with well wishes and congratulations. The couple were members of the High School Sophomore class and eloped to Kentucky last February. The secret was kept for some time even before the parents were informed. Announcement to the guests was written on pink hearts tied to pink roses and passed among the guests by Misses Louise McMillan and Helen Townsley. There were many gifts as a result of the shower. Mr. and Mrs. Deek started Tuesday on a short wedding trip and upon their return expect to go to house keeping.

The beautiful country home of Mr. and Mrs. W. L. Clemans was the scene of a very pretty reception, Thursday evening, when about one hundred and eighty-five friends and relatives were entertained in honor of their son, Mr. Fred L. Clemans, and wife, formerly Miss Gertrude Reynolds. The event was also in celebration of the twenty-fifth wedding anniversary of Mr. and Mrs. Clemans. Mrs. Fred Clemans wore her wedding gown of white satin and Mrs. W. L. Clemans wore a becoming gown of blue crepe, each carrying large bouquets of pink roses.

The rooms throughout the house were decorated with pink roses, white spring flowers and white candles. The dining room was entirely of pink roses. In this room was the punch bowl which was presided over by Miss Josephine Armstrong, of Xenia, and Miss Zephie Debus of this place. A three-course dinner was served, the fees were in brick form and were in set with the date of Mr. and Mrs. Clemans' marriage. The favors were white and pink sweet peas in clusters. The spacious porch and lawn lighted with Japanese lanterns, made an attractive place for entertainment on a summer evening. Music was furnished by the Lowry orchestra.

No better berries are put on the market than the Powers berries. Every box is sorted and holds a quart of first-class berries.

ALUMNI BANQUET.

Alumni of Cedarville college held their annual banquet in the Carnegie Library Thursday night, and covers for 72 were laid about the beautifully decorated tables.

The banquet hall was in green and white, and the tables were decorated in red, white and blue, the same color scheme being used as at the display at the faculty banquet. The tables were arranged in a hollow square, and in the center of the square was placed a table at which were seated the members of the graduating class and their friends. Rev. W. R. Graham, of Yellow Springs, as president of the Alumni Association, presided, and introduced Rev. Homer McMillen, D.D., of Atlanta, Ga., as toastmaster. Dr. McMillen welcomed the 1915 graduates into the association, and Cameron Ross, as president of the senior class, responded in the name of his class, to the words of greeting.

Rev. L. W. Utlick, of Sidney, gave the first toast. His theme was "Does It Pay?" He answered the question by showing that a good education, and right living do pay.

Miss Mary E. Ford, of her theme "If We Were All Here." She spoke of the happiness which attends the annual reunions of the college alumni, and of how much pleasanter would be the occasions if all the graduates would try to attend the gatherings.

"Eccentricities" was the subject from which Rev. John Wilson, of Urbana, Ill., gave a delightful talk.

Dr. David McKinney spoke on "Then and Now." His talk was in the nature of a farewell, and he spoke of the early days of the college, and the expectations and hopes which now seemed realized.

Dr. McChesney was the last speaker. His theme was "Excellence." He dwelt upon his appreciation of the way honor which had been given him in his election to head of the college which he loves so dearly. He also spoke of his happiness at the good feeling manifested toward him by the Alumni.

Music for the evening was furnished by an Edison phonograph.

Among the guests of the evening were Rev. Dr. Spierle, co-pastor with Dr. McKinney in their Cincinnati church, and Mrs. Spierle.

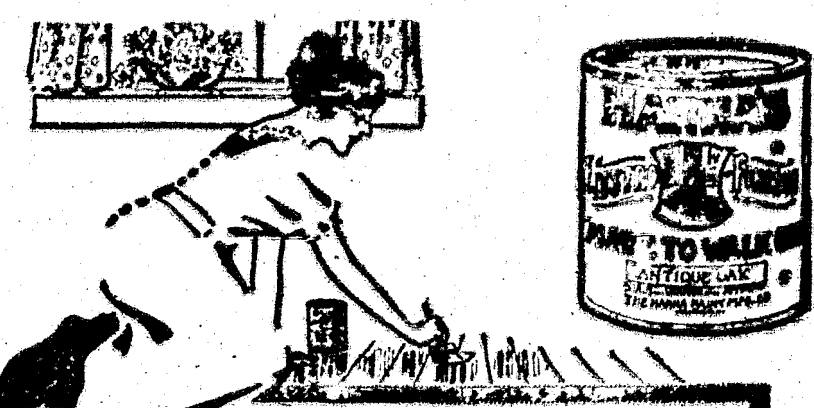

The banquet, which was in three courses, was prepared and served by the Ladies' Advisory Board.

Order your berries now. Don't wait till the season is over. The crop will be here in about ten days.

Mr. Brough Rife recovered his horse at Bainbridge last Friday, the rig having been taken from a rack in town early Thursday evening. Effort to sell the horse resulted in the authorities at Bainbridge to take over two colored boys by the names of I. G. Taylor and Alfred Smith, but this was not done without an effort to escape. The boys were bound over to the Grand Jury by Mayor McFarland last Saturday. Mr. Rife and son Merle, and Marshal McLean made the trip to Bainbridge Friday afternoon and brought the boys back. The buggy had been damaged in an upset. It was a fortunate find for had the horse been traded once in that country it would have been hard to find.

Complimentary.
The bishop of London, speaking recently, said that churches did not drop down from heaven any more than bishops, though a little girl in his congregation, evidently under that delusion, had recently said to her mother during a string sermon: "I am tired now, mother; can't the bishop go back to heaven?"

Had Become Calloused.
"Does my practicing make you nervous?" asked the man who is learning to play the bugle for the territorialists. "It did when I first heard the sympathetic person," replied the sympathetic person. "By now I'm getting so I don't care what happens to you."—London Opinion.

This is June Bride Week at the Big Store

If it is for the wedding, we have it. If it's for the house furnishing that comes afterward, we have that too.

NO MATTER WHAT YOU WANT, YOU ARE SURE TO GET IT AT WREN'S. We have made special preparations for the June bride. We have gone further than that for we are also in position to take care of the June groom.

If It's Wearing Apparel---

from the daintiest of all dainty lingerie to the slippers, the hosiery, the dress, the hat and all other accessories of the feminine toilet, we are prepared to supply in the greatest profusion even the most fastidious demands. And for the groom, our Men's Store will take ample care of every possible need.

If It Is Gifts---

You could go no where and find a more complete or satisfactory selection to choose from. Our basement with its wealth of cut glass, its superb assortment of china and bric-a-brac and its thousand and one articles both useful and ornamental, constitutes a wide and economical field for choice.

If It's Furniture or Rugs---

Let us say that our equipment in this capacity is without equal in Springfield. Wren's furniture, rugs and drapery departments, associated as they are under one roof, make the ideal place to select the things which go to furnish the home.

What we most desire to impress upon you is the element of safety you always enjoy in trading at Wren's. We learned long ago that the absolute confidence of the public was our greatest asset—that **QUALITY** in merchandise and **HONESTY** in dealing were the only true watchwords of success.

When you buy at Wren's, you deal with the store not only of yesterday and today but of **TO-MORROW**. Every article you purchase comes to you under the most positive of all guarantees—perfect satisfaction or your money refunded.

Friday and Saturday of this week are to be banner bargain day at the big store. Watch the daily newspapers for detailed announcement of offerings which will interest you. Note the wonderful values in **SILKS** and **WASH GOODS** for this week.
