## **About the Contributor (Optional)**

I'm from a tiny rural town in Michigan called Gobles. I love reading (especially the classics), hiking, coffee, traveling, running, weeping willows, and Mexican food. I'm an English education major and hope to teach overseas in my future.

*POETRY BY BRIANNA MARTINEZ*

In a wooded land  
I saw one day  
A brown-furred muskrat  
Swimming and  
Playing with a  
Glowing orb of light  
Few puffs of fluffed milk  
Over his head  
Cattails on the  
Stream's narrow banks  
He floated on  
His back and  
Chewed on loose greens  
And worried of nothing.

The  
The Middle
