Student Pharmacists Win National Chapter of the Year

CEDARVILLE, OHIO -- Cedarville University's Student National Pharmaceutical Association (SNPhA) chapter has been selected as the National Chapter of the Year. The final phase of the competition took place at the SNPhA National Convention in Charlotte, North Carolina, July 27-30.

Cedarville competed in the medium-sized chapter division, for chapters with 50 to 99 members. The competition was determined by how many points the chapter earned through various in- and out-of-school activities.

Cedarville won in its medium-sized division category, but was also named best chapter overall among chapters with small, medium and large memberships. There are 92 chapters in the SNPhA.

"Cedarville's chapter is only two and a half years old, yet we are the top chapter. This shows that we live out our motto of serving the underserved," commented chapter president Ankit Pandav, a fourth-year pharmacy student. "We serve, give back to the community and are intentional about showing God's love in our interactions with patients."

Located in southwest Ohio, Cedarville University is an accredited, Christ-centered, Baptist institution with an enrollment of 3,963 undergraduate, graduate, and online students in more than 150 areas of study. Founded in 1887, Cedarville is recognized nationally for its authentic Christian community, rigorous academic programs, strong graduation and retention rates, accredited professional and health science offerings, and leading student satisfaction ratings. For more information about the University, visit www.cedarville.edu.

Subhead: Cedarville pharmacy student group won the National Chapter Excellence Award in Charlotte, North Carolina during the Student National Pharmaceutical Association conference July 27-30.
