Promises Village Sufficient Gas

R. W. Irwin, manager of the Xenia branch of the Ohio Fuel Gas Company appeared before council Tuesday evening to further explain the service charge the company was asking of each consumer of gas here.

Some months ago the company asked for a net charge of 35 cents for the first thousand feet of gas used. When the word spread about consumers began a loud protest against the increase. Council allowed the matter to drift without taking any action. The proposed ordinance had been tabled for further investigation.

Headquarters of the company made no other request of council and nothing was done until last week when the gas company without notice to the consumers cut the gas pressure for the village down to three ounces and one day as low as two ounces. The consumers began to get busy. The cool mornings required gas. Some of the same persons that objected to paying the increase last July were the loudest in condemning council and the company for the situation last week.

At the Tuesday evening meeting of council Mr. Irwin was asked if by the passage of the ordinance would he be guaranteed sufficient gas. He replied that he would. Council then passed the ordinance. Mr. Irwin stated that Xenia would pass the same ordinance at the next regular meeting.

The company had all the best of the situation. It has no franchise from the village and never had but one that expired several years ago. The next grant was from the Ohio Public Utility Commission and it is under this that the company operates. The matter of rates when council and the company cannot agree is fixed by the commission. So after all, council has little or no say.

As we understand it the old law that gave council power to handle rate questions locally was changed under Governor Cox's administration. The Governor then as now, owned a half million interest in gas companies. The thing that concerned the public most at this time was a sufficient amount of gas. The company had the gas for sale and we must meet the price asked.

We understand that the company and Xenia, both towns that will not have gas after October 31st, are going to petition the Ohio Fuel Gas Co. to lay a line and supply their towns. Both towns have always paid more for their gas than Cedarville will pay under the rate just granted.

Council endeavored to get a contract for more than one year but the gas company would not consider it.

THE UNDERTAKER OFFICIATED

The following verse in an Indiana newspaper aptly expresses several excellent reasons why traffic on public highways should drive sensibly.

Here lies the remains of Percival Sapp,
He drove his car with a girl on his lap,
Lies slumbering here, one William Baker,
He heard the bell but had no break,
Beneath this stone lies William Rains,
Ice on the hill he had no chains,
Here lies the body of William Jay,
He died maintaining his right-of-way,
John Smith lies here without his smiles,
He drove his car while filled with hoops,
Here's Mary Jane—but not alive—
She made her Ford do thirty-five.

ED FLYNN LAYS DOWN PEN FOR SIX MONTHS VACATION

The South Charleston Sentinel last week carried the announcement that its well-known versatile writer, Ed Flynn, would cease to be connected with the Sentinel after that week. For 36 years Ed has been associated in one capacity or another with that paper either as owner, editorial writer or manager for someone else. His pointed paragraphs have been copied in many of the large daily papers in the state. His acquaintance in the community was a very valuable asset to the paper. Mr. Flynn leaves for a six months vacation to be spent in California.

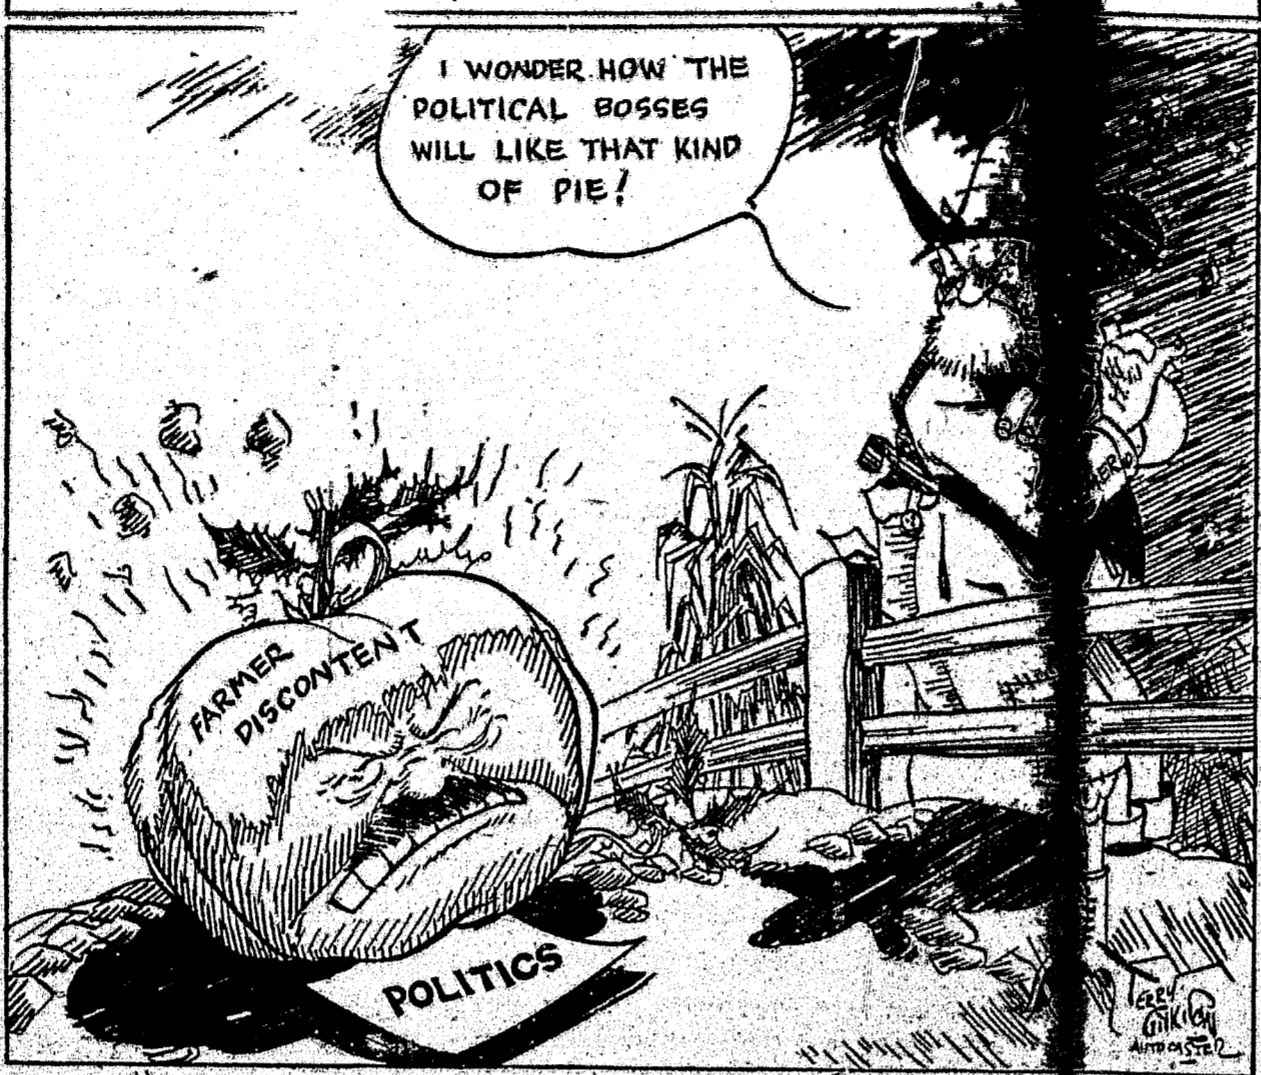

KNIGHTS OF PYTHIAS

A very interesting convention was held in Nagley Hall Wednesday evening, about 100 visiting K. of P. from different lodges in the county present. Hon. Regan of Dayton was the principal speaker of the evening. Next Thursday evening ranks will be conferred, Ivanhoe Team will put on the floor work.

Mr. T. B. Andrew and wife and Mr. W. B. Stevenson and wife motored to Huntington, W. Va., last week where they spent a few days with Mr. and Mrs. J. R. Harvey.

THE FROST IS ON THE PUMPKIN

HARVEST FESTIVAL PRIZES ANNOUNCED BY WREN CO.

Awards in the pumpkin show, held last week by the Edward Wren Co. in connection with the harvest festival, were announced Saturday by Stanley Laybourne, who had charge of the exhibit. The judging was in charge of county farm agent, E. W. Hawkins.

First place went to B. C. Litter of Elicin on a pumpkin weighing 59 pounds; second to F. W. Williams, of the Jackson road near Yellow Springs; third to Frank B. Gant, Springfield; R. F. D. 2, on a pumpkin weighing 40 pounds. Weight and quality were considered in making the awards.

This week potatoes and apples will be exhibited. The third week will be known as home economics week and the final week will be corn show week. Cash prizes are offered in the various classes. This is the first fall festival that the Wren Company has conducted and reports indicate it to be a great success.

PREBYTERIAN MISSIONARY MEETING IN CLIFTON

The Xenia Presbyterian Missionary society of the United Presbyterian church was held in the Clifton U. P. church, Thursday, it being the 49th annual meeting. Two missionaries from foreign lands were present, Mrs. T. J. Finney, Cairo, and Miss E. Josephine Martin of Pathankot, India. Mrs. O. H. Milligan, general thank offering secretary, Pittsburgh and Mrs. Edward Litter of Columbus, both formerly of this place, were among the speakers. Mrs. J. P. White spoke on "A Model Mission Study Class". A pageant was given by the members of the Cedarville W. M. S.

CIDER KEPT SWEET BY PASTEURIZING

The best way to keep cider from fermenting is to pasteurize by heating to 156 degrees for half an hour as soon as possible after it comes from the press. This is the answer given by chemists of the Ohio Experiment Station in reply to the many inquiries received by them at cider making time. If fresh cider is heated to about 156 degrees and kept at that temperature for half an hour, then put into sterilized bottle or jars and sealed airtight while still hot it will keep pure and sweet.

ANOTHER BANK GOES UNDER WITH BIG LOSS

John J. Schwartz of Dayton, president of the Miami Valley Bank in the Montgomery county jail as a result of a shortage of \$111,000 due to a hundred or more forged notes. The loss will not be met by the double liability of the stockholders and every depositor will lose as the authorities place the assets on a basis of bringing enough to pay only 80 per cent and probably less.

Gus Penfield of Springfield is at the head of the library in the Atlanta Federal prison and has for his assistant Cashier Kech of Dayton.

THIRTY BUSS DRIVERS ARE GIVEN LICENSES

Thirty buss drivers have been licensed by the County Board of Education to drive busses to transport school children. These drivers have been given instructions to stop at all crossings and proceed only on the signal of some responsible person. Failure to observe this rule will result in revoking the license. Each driver is required to furnish bond ranging from \$200 to \$500, as required by law. No one under 16 years of age can be licensed.

This Week

By Arthur Erlbaum

Rev. Percy Stieglitz Grant mourns as follows:

"If 85 per cent of young men enter college believing in Christianity and nearly all of them have lost their faith on leaving college, we are teaching Christianity in the wrong way."

Very likely hard facts of science are taught in a way that crowds out belief in miracles. It must be remembered, however, that boys in their teens do not exactly believe anything. They only take for granted what has been told them.

It takes long mental medicine to plant religious belief in a young mind beyond all possibility of uprooting. A man, known all over the country, said at the recent Lloyd George luncheon in New York:

"Only the Catholic Church stands between property and radical confiscation. The Protestant church lost its power when it stopped teaching that there is an actual blazing hell. Men need to be frightened."

The gentleman is a good Protestant and goes through all the usual motions, but he is discouraged. If it's true that fear of hell fire alone will keep men honest, that's sad. But is it so? The American Federation of Labor, which is non-sectarian comes out strongly and officially against Communism, confiscation of property and other extreme radicalism. High wages enable men to acquire property. And when a man owns something he at once objects to any plan for dividing evenly Capital will learn, perhaps, that its safety lies in making the little man a little property owner. A house paid for and a savings account will inspire more conservation than any fear of hell.

"Harvard will teach freshmen to think." Perhaps it can be done. But it recalls the old saying about leading a horse to water.

"I write not that you may read, but that you may think." Montaigne put that in his "Spirit of Laws" long ago. Socrates showed where true thinking begins when he said he supposed he was called the wisest of the Greeks because he knew that he knew nothing.

Thinking cannot be taught exactly. But it can be stimulated. When the apple fell, that started important thought in Newton. When Columbus made the egg stand up, that probably made the spectators think for a few seconds.

But how can you teach or provoke PROLONGED concentrated thinking? Select your subject, "matter unlimited in infinite space," or "time without beginning or end," or the logical probability of personal immortality. The average mind will find it hard to stick to one thought for three minutes.

For seven marriages in the United States there is one divorce. For seven people of middle age one is sure to die of cancer.

Some call the divorce cancer worse than any other malignant tumor. If we understood cancer and divorce we might find them not so far apart.

OHIO NEWS IN BRIEF

Miamisburg Banking company at Miami was ordered closed by H. B. Scott, superintendent of state banks. Scott charged misappropriation of funds by President John J. Schwartz of Dayton, totaling more than \$50,000. According to officials of the bank the defalcation will total approximately \$108,000. Schwartz was arrested and, according to police, admitted appropriation in securities with bank funds which he covered up with fictitious notes.

Gordon Leonard, 14, is in a hospital at Columbus in serious condition as a result of internal injuries received when he fell 40 feet from a chestnut tree.

Mrs. James Soukenik attempted to start a fire with coal oil on her home in Cleveland when the oil exploded. The mother carried four of her children to safety, but was overcome before the fifth child could be reached. The child was buried to death. Mrs. Soukenik died later of burns.

A gift of \$100,000 by Samuel Mather, Cleveland, toward erection of a hospital unit of Western Reserve medical buildings, now under construction at Cleveland, was announced by the trustees.

State average farm wage by the month has increased 20 per cent over a year ago, according to State Federal Crop Reporter C. J. West. It is now \$55 without board, or \$39 with board.

Governor Donahue, in a message to the people of Canton, informed them of charges filed with him against E. E. Curtis, safety director of that city. The governor announced the charges had been filed in the belief of a mayoralty campaign and that he would not go into them until after election.

Board of trustees of Ohio State university accepted an offer of \$50,000 by the White Cross hospital association of Columbus for the purchase of the university medical building adjoining White Cross hospital in Columbus. The sale of the building was authorized by the last legislature.

Frederick W. Hecht, former cashier of the American National bank of Dayton, pleaded guilty to 30 counts in an indictment charging embezzlement of \$306,537.29, was sentenced to serve 10 years in the federal prison at Atlanta, Ga.

Home of Charles Pearce, 36, prohibition enforcement officer at Smithfield, west of Columbus, was blown up by dynamite. Pearce, his wife and baby escaped serious injury.

Ward A. Miller, 48, is suffering from a fractured skull in a Cleveland hospital as the result of a fight that occurred in a Columbus collision. Police say Miller was kicked by the driver of the other machine.

Because Wayne county received more state aid money than any other county in Ohio last year, Highway Department L. A. Bostley told a Wooster delegation at Columbus that no more state funds would be assigned to Wayne county before July, 1925. More than \$600,000 of state funds have been used in Wayne county.

Athens county officers who have been arresting motor bus drivers for failing to stop at railroad crossings are starting a strike. Four drivers were arrested for permitting passengers to ride in the front seats when all the other seats in the machines were not filled.

Harold E. Garrett, soldier from the aviation field at Dayton, is held to the grand jury at Lancaster under \$500 bond on charge of forgery.

New well drilled in Washington township, Hooking county, by the Logan Gas company is making a million and a half feet daily. It is the best thus far struck.

Ward Harter succeeded J. J. Blackstone as postmaster at Pomeroy. Rev. W. W. Thompson, 70, Middleport, was injured seriously in a runaway accident.

Harvesting of sugar beets in Hancock county and other northwestern Ohio counties is under way. A record crop is in prospect.

Archbishop Henry Mueller of the Catholic diocese of Cincinnati has been honored by the pope, who has conferred upon him the title of assistant to the papal throne.

Ashtabula police are searching for a trouble, who they claim set fire to the home of John Hill, causing the death of Mrs. Nellie Witherall, 44.

Four persons are in hospitals at Youngstown with injuries received when two interurban cars came together during a fog.

According to a ruling by the Ohio supreme court one needs only to be "blackstone" another person is violating a prohibition law to get an affidavit. Accurate knowledge of fact is not necessary to secure a raid on a peacock's premises, the decision holds.

Two negro women are held in Cleveland on charges of first degree murder. Mrs. Beulah Ferguson, 35, is charged with having killed William Ferguson, 25, her husband, with an ax, "because she loved him." Genevieve Wallace, 34, stabbed Henry Goss, 25, to death. Jealousy is said to have been her motive.

Dr. Lav G. Burroughs of Collinsville, Ill., died of injuries received in an auto collision near Zanesville.

Increases in the acreage of the Roosevelt game preserve in Scioto county from 15,000 to 25,000 acres is the major aim of the program of the fish and game division, according to D. O. Thompson, chief.

LECTURE COURSE PROMISES TO BE A FINANCIAL SUCCESS

The first number of the lecture course was the Cheney Concert Company which appeared at the opera house Wednesday evening. The program was varied and included selections on various instruments. The auditions as well as the musical numbers marked the company high class. The patrons seem well pleased. From reports the course will pay itself out without drawing on a surplus left by a former committee. The season ticket sale was much larger than usual. As a rule the concert that have a good list of entertainment features usually pay out. When the entertainment course to prove a financial success.

TANKS WIN THE SERIES

With the New York American defeating the New York National team by a score of 6 to 4 Monday the Yanks win the series and become the world championship team. More people witness the series games than ever before saw the same number of games. The receipts were \$1,068,215 for the six games. The players on the winning team will get \$278.93 each while the opposing team players get \$447 each. The large attendance was possible because each team had seating accommodations for 50,000 or 60,000 persons at each game. The great majority of people in this section were pulling for the American team probably because the manager, Miller Huggins was a Cincinnati. Few people realize the hold that the American base ball game has on the public. It is not only in the cities but extends to the smallest town and rural districts.

HEAR REV. JOS. FLACKS AT THE OPERA HOUSE

Rev. Jos. Flacks, the evangelist, will give two vital messages in his sermon Sabbath morning and evening at the opera house.

The subject for the morning sermon is "Typical Teaching from the Passover." The evening sermon topic is "Hell Calling for Help."

Rev. Flacks was born and raised in that part of Russia which now is Lithuania. He came to this country in 1883. He was in business in St. Louis for 16 years. He became converted in the Gipsy Smith meetings held in that city in 1909. He has been in the ministry since 1911 as pastor and evangelist.

"CORN" COMES HIGH

S. F. Murray of Yellow Springs landed in town last Thursday night with an over supply of "corn." About eleven o'clock that night he tried to break into the telephone exchange. Maximal Myers was called and Fredrick Dean and he took the two of them to land the fallow in jail where it was necessary to allow the "corn" to evaporate. For his experience Mayor Mott assessed a fine of \$40 and costs. When arrested he had about \$100 on his person. Murray is said to be a railroad brakeman. He explained that he wanted in the exchange to talk to his girl who resides on the North side of town.

WILL ISSUE AUTO LICENSES

J. G. McCorkell has received notice of his appointment as distributor of auto license tags for this section of the county by Secretary of State Theobald Brown. Heretofore tags have been issued by the county in Xenia but under Mr. Brown's plan motorists can have their tags issued in their own community. Tags will be issued about the 15th of November and Mr. McCorkell will go to Columbus the first of the month for instructions.

WILL TAKE EUROPEAN TRIP

Mr. Harry Thomas and wife of Jeffersonville expect to take a European trip next February that will include sight seeing on the continent and a trip through Palestine. The trip will cover about seventy days and will be taken at a season of the year when the weather in the countries to be visited will be ideal. Mr. Thomas is one of the owners of the Cedarville Lumber Company.

DOGS AFTER THE SHEEP

Farmers are having much trouble at present in this section with dogs killing their sheep. Many of them are watching the fields at night in an endeavor to kill the dogs. Andrew Brothers have lost \$500 worth of sheep in the past few weeks.

WILL BE OPEN IN TWO WEEKS

We were informed this week that work on the Dayton and Xenia pike has improved so that it is possible to travel the completion within the next two weeks, providing weather permitted.

Local Democrats Name Ticket

The local Democrats have placed a ticket in the field for the fall election. The names were circulated last August to get the names on the ballot but were not filed in time.

There being no other course upon the names must be written on the ballot for each officer. We understand that Dr. R. H. Dines, dentist, heads the movement and is the candidate for mayor.

The other candidates are as follows: Walter Huffman for marshal; J. L. Wells for treasurer; Lloyd Confar for clerk; Marion Stormont for assessor. For council, J. D. Mott, W. A. Turnbull, George Hartman, L. C. Javis, J. E. Mitchell and Carter Abel.

There are no names mentioned for township officers other than William Tolson, janitor at the Exchange Bank for constable against Charles Turner.

The nominations on the Republican ticket that were filed in August were as follows: D. H. McFarland for mayor; J. G. McCorkell, clerk; Karl Jull, treasurer; Harvey Myers, marshal; Council, J. W. Ross, H. A. McLean, B. E. McFarland; N. P. Erbank All Stormont and A. Z. Smith.

0.000 MASONS ATTENDING GRAND LODGE IN SPRINGFIELD

Springfield has been the mecca this week for Ohio Masons due to the annual meeting of the grand lodge and the dedication of the Ricketts Memorial hospital costing \$750,000. It is said 9,000 Masons attended the dedication and that from 10,000 to 12,000 were in the parade Wednesday. The hospital was made possible by a gift of 200,000 by a gift through the will of the late Walter Ricketts, Columbus banker. It is one of the most complete in the state and has 200 rooms. It is located on the Masonic home grounds west of Springfield. A number of local Masons have been present at the exercises this week and attending grand lodge.

RAIN FELL SABBATH WILL DO MUCH FOR YOUNG WHEAT

The first rainfall for several weeks started Sabbath afternoon and continued in a quiet way until early Monday morning. While not enough to start streams to any extent it was the kind of a shower that will start the wheat and revive the pastures.

Farmers are facing a long period of feeding unless the grass gets a start soon. The absence of fall pasture means drawing on dry feed much earlier than usual.

WILL GIVE UP HALLOWEEN CELEBRATION THIS YEAR

Jamestown has always observe Halloween with a street carnival but this year will let the date slide by and have no such event as in former years. Yellow Springs will celebrate as usual. Here is an opportunity for Cedarville to show herself. It has been some years since the old town had any formal celebration of any kind.

REV. C. A. YOUNG DIED TUESDAY IN BOSTON

Rev. C. A. Young, D. D., 46, died at his home in Boston Tuesday following an illness of several months of a malignant trouble that affected one knee and caused the amputation of the limb at the knee to check the spread of the disease. His condition improved for a time and he resumed preaching but several weeks ago was forced to take his bed to await the end as a sufferer of an almost incurable disease.

Rev. Young was the son of Rev. William Young and Anna Williamson Young. Following his father's death he with his mother resided here with the latter's parents, Mr. and Mrs. J. T. Williamson, both of whom passed away some years ago. The deceased graduated from Cedarville College in 1890 and later entered Pennsylvania University and the R. P. Seminary. He was a graduate of the School of Philanthropy, New York City. His first charge was the 3rd R. F. congregation in Philadelphia, going from there to Roxbury Presbyterian congregation in Boston where he has been for eight years.

Rev. Young married Miss Margaret Nelson of Philadelphia and to them were born five children, four daughters and a son.

The funeral was held Thursday afternoon in Boston. Rev. Young was a nephew of J. C. and R. D. Williamson, Mrs. R. E. Bryson and Mrs. Nettie Anderson of Xenia, the latter being at his bedside at the time of his death.

Rev. Young had reached a prominent position in the ministry of his denomination. He as well as others in the community knew him personally and of the sterling character that he possessed. Since his first illness and death the mention of his name always brought words of sympathy, sincere sorrow following his death. On the playground, the athletic field, in the class room, were to be found the splendid character, noble manhood and true friendship that was so manifest in his afterlife.

Mr. and Mrs. J. E. Mitchell have returned home after spending several weeks in Detroit.

Mr. and Mrs. George Watson of Cleveland stopped here last Friday calling on friends, while enroute to Xenia.

Yellow Springs was visited by a disastrous fire early yesterday morning when the Ed. Carlisle garage burned. Eighteen automobiles were consumed, part of which were only partially insured. No reason can be given as to the origin of the fire. The loss is placed at \$30,000. The building was covered by insurance and will be rebuilt at once. Cables of the Bell Telephone Company were cut off by the fire with a \$2,000 loss. The Yellow Springs fire department saved adjoining property but could not do anything towards saving the garage owing to gasoline and grease.

The home of Mr. and Mrs. Wilbur Conley was the scene of a lovely affair Thursday evening when Mr. and Mrs. Conley entertained on their first wedding anniversary honoring Mr. and Mrs. Robert Conley of Crystal City, Mo., who are visiting relatives in Cedarville. The Coney home was decorated in halow'en colors and fall flowers. Pumpkin faces, witches, and black cats were placed around the rooms, adding to the amusement of the evening. The guests were met in the yard by two stalwart ghosts who conducted them to the door to meet the host and hostess, and then helped in entertaining with games, fortune-telling, etc. Dainty refreshments were then served in two courses carry out the color scheme.

SUFFERED MANY YEARS WITH FEMALE TROUBLE. PE-RU-NA LIKE A GIFT FROM HEAVEN

Mrs. Katie Schreffel, F. D. No. 5, Lowell, Ohio

"I have been suffering for years with female trouble. Was operated on five years ago. It relieved me some but I did not regain my strength. Two years later was taken sick and bedfast several months. I treated a long while without much relief. I was discouraged, my mind affected, so nervous I could neither eat or sleep and unable to do anything. I tried several doctors but one after another gave up my case as hopeless. Finally a good friend advised me to try Pe-ru-na. I did. It relieved me almost immediately. Your medical department said I was suffering from chronic catarrh of the system. I began taking your medicine in March, 1914, and continued until August. I took ten bottles of Pe-ru-na and three bottles of Man-a-lin and felt like a new person. Your medicine seemed like a gift from Heaven. It was like coming from darkness into light. I have used your medicine since for coughs, colds and grip with good results. We will always keep it on hand. I weigh twenty-five pounds more than I ever did, eat and sleep well and can do a good day's work. Everybody says I look fine. Even the doctors are surprised. I cannot thank you enough and will always recommend Pe-ru-na to sufferers from catarrh.

MRS. KATIE SCHEFFEL, F. D. No. 5, Lowell, O.

Mrs. Scheffel is only one of many thousand women in the world who owe their present health to Pe-ru-na. The record of this medicine is a proof one as Pe-ru-na has held the confidence of both sexes for fifty years or more. If your trouble is due to a catarrhal inflammation in any organ or part of the body, do like Mrs. Scheffel. Try Pe-ru-na. Insist upon having the original and reliable remedy for catarrhal conditions. You won't be sorry. Ask Your Dealer About This Old-Time Tried Remedy

HOW IS YOUR CORN!

If you are very fortunate it is good; otherwise it is poor. But it took just as much seed corn and just as much effort to raise a poor crop as it would have taken to raise a good one.

When you plant corn, wheat, or whatever it may be you must take a chance on your yield, but when you plant DOLLARS here under our special certificate plan you know you will get.

INTEREST

There will be no work or worry with it either and your money will be secured by first mortgage on real estate.

HIGH SCHOOL NOTES.

On October 12th the lower classes had a spread; They bought ten pounds of winners and a dozen loaves of bread. They journeyed out about two miles to have a barrel of peas. They bought enough winners, to put in every bin. The boys stood around talking, telling of this and that; And laughing about their wonderful feed. That was going to make them fat. But after the crowd had gathered, five unexpected were there. Who did not mix with their schoolmates and could not be seen for the glare. When the time came for the mixture, we plowed into the light, We grabbed a lot of the oats, but didn't get away just right. While our pals ran very swiftly, taking with them all the oats, We were lying on the ground, taking many hard beats. But after the war was over, and the remnants were scattered around, The most important thing of all, their winners went back to town, Bod Smith

The school carnival held last Saturday night proved a great success. At times the crowd was almost too much to manage but everyone agreed that it was an evening of fun and merriment. About seventy dollars were left after all expenses were paid. This money will be used to pay for the large dictionaries that have been purchased.

The teachers wish to thank all those both in school and out who were so helpful and who gave their services to help make this affair a success.

A new method of grading has been adopted in the schools of this county. The semester is divided into three periods of six weeks duration. It is not necessary for each pupil to have one (B) and two (A's) for exemption.

The classes in high school were observed last Tuesday by the classes in Education from the College, under the supervision of Miss Somers.

ORDINANCE NO. 118.

An ordinance fixing the price which The Ohio Fuel Gas Company, its successors and assigns may charge for natural gas furnished consumers in the Village of Cedarville, Ohio.

BE IT OBTAINED BY THE COUNCIL OF THE VILLAGE OF CEDARVILLE, OHIO, AS FOLLOWS: SECTION 1. That during the period of one year from the date on which this ordinance becomes effective, The Ohio Fuel Gas Company, its successors and assigns, may charge for natural gas furnished within the

corporate limits of the Village of Cedarville, Ohio, the following prices, to-wit:

Fifty cents (50c) per thousand (1,000) cubic feet consumed each month as measured by the meter, subject to a discount of five cents (5c) per thousand cubic feet, if payment is made at the place provided therefor by the company on or before the 10th day of the month for gas consumed the previous month.

SECTION 2. A service charge of Fifty cents (50c) per month shall be charged per each individual account appearing upon the books of the com-

pany in any one month. SECTION 3. This ordinance shall be in full force and effect at the earliest period allowed by law after its passage.

Passed this 16th day of October, 1923.
