## General Synod In Session.

WHERE SYNOD IS BEING HELD.

REFORMED PRESBYTERIAN CHURCH.

The General Synod of the Reformed Presbyterian church of North America opened Wednesday evening in the R. P. church, the opening sermon being delivered by the retiring moderator, Rev. S. M. Ramsey, of Los Angeles, Cal.

The business sessions opened Thursday morning, Rev. J. Y. Boyce, of Philadelphia, being chosen moderator. Rev. John H. Kendall, D. D., of Tarnetum, Pa., was elected stated clerk and Rev. W. W. Hill, of Danesburg, N. Y., assistant clerk. The committees were named and reports read of the different presbyteries. A petition was placed on file asking that the body rescind its action of a year ago on instrumental music as optional.

The report of the Federation of Presbyterian churches was read Thursday and is ready for consideration. The report of the committee on Foreign Missions was read Friday morning and it was made a special order for Monday morning after devotional exercises.

The most important business yet that has come before the Synod is the proposition to unite the Reformed Presbyterian church with the United Presbyterian. Rev. W. H. McMillan, pastor of the Second United Presbyterian church of Alleghany, Pa. spoke as to what could be accomplished by the union. His remarks were that the doctrines were the same, as were the psalms, and that better work could be done in the interest of the Sabbath, in

Foreign and Home Missions, and the bringing together of the social interests.

At the hour of going to press no action has been taken on the union question.

Mr. Anderson Collins and wife have for their guests during Synod Mr. A. Y. Bled, wife, mother, Mrs. Belle Reid of Cincinnati. Mrs. Reid will probably visit friends here for some time.

The United Presbyterian Committee of Missions adjourned Wednesday after appropriating \$175,000 for the coming year. Dr. R. E. Hume, pastor of the U. P. church was presented a fine leather chair.

Rev. S. M. Ramsey of Los Angeles, Cal., has been the guest of Mr. N. L. Ramsey and Mr. Daniel Dallas during the synod. Rev. Ramsey was formerly editor and publisher of the Herald.

An effort is being made to get John Spencer out of work-house he being sent there by Mayor McFarland for boot-legging whiskey. The case has not yet been decided by Judge Shoup. The charge is that Spencer was committed on defective papers.

Mr. J. S. Brown and two daughters left Wednesday morning to attend the annual Brown reunion near Mansfield. The reunion will be held on Mr. Brown's old home place.

Rev. Alvin Orr of Philadelphia stopped off here Wednesday on his way to the General Assembly at Richmond.

## SABBATH SCHOOL CONVENTION.

The Sabbath School convention was held in the M. E. church Monday evening at which time officers were chosen:

President, L. H. Sullenger. Vice President, F. A. Jurkic. Secretary, Mable Owens. Treasurer, F. P. Hastings. Teacher's Training Secretary, Rev. O. H. Milligan. Home Department Secretary, Sarah Hill. Primary Department Secretary, Mary Ervin. Good Citizen Secretary, Rev. W. J. Sanderson.

The recent canvass of the corporation shows that there are 1993 persons in town of which 440 attend Sabbath School, 634 members of church, and 299 are under 15 years of age.

In the township are 900 persons outside of the corporation, 363 attend Sabbath School, 490 of church, 217 under 15 years of age.

Total for the whole township, 1993, 803 Sabbath school scholars, 994 members of church and 656 under 15 years of age. Of the total number in the township the following shows to which church they belong to or would prefer: 997 Methodists, 434 United Presbyterians, 250 Reformed Presbyterians, (N. S.), 75 Reformed Presbyterians, (O. S.), 55 Christians, 33 Presbyterians, 31 Catholics, 80 Friends, 20 Baptists, 18 Lutherans, 3 Christian Catholics, 2 Dunkards, 72 no preference. Colored in township 158 A. M. E. church, 123 Baptists.

### CHANGED PASTORATE.

A card from Rev. F. O. Ross, who until recently was pastor of the First U. P. church in Washington, Iowa, states that he is now located at Janesville, Wis., R. F. D. No. 1.

Rev. Ross states that he has a fine country congregation in a highly improved community. The many friends here wish him much success in his new field of labor.

BREAD—Cream, Mamma's, Butter, Round Home Made, Fresh every day at Nagley Bros.

Burglars wrecked the post office safe at Waynesville Monday evening for the third time in a year. About \$300 in money and stamps were secured. The safe at the Jeffersonville post office was cracked last Friday night and \$60 in stamps and money secured besides about \$300 in old coins that had been collected.

Mr. E. M. Baker, wife and Ex-Mayor Bowlin and wife of Springfield were out for a pleasure ride Sabbath afternoon in the former's automobile, coming this far south. On their return home they run into a cloud of dust near Clifton. The machine was stopped just a few feet from a large pile of rocks which evidently had been placed there to wreck the machine. The dust had been kicked up so that the rocks could not be seen.

## Bond Issue Is Defeated.

There is to be no bond issue for a new school house if the verdict of the voters on Thursday expressed the sentiment. The Board of Education asked for the expression and of about 400 voters in the district only 66 wanted the bond issue.

Those that opposed numbered 145. In the corporation the vote against the issue was 113 to 57. In the township 32 to 9. The day was very quiet there being no particular interest shown on either side. About the only campaign work for the issue was done on the quiet by the members of the Andrew-Ridgway-Jackson "gang", Bev. and Andy having been quite busy the past few days.

Voting down the \$30,000 issue was in accordance with the interviews of prominent citizens as published in the last issue of the Herald. The centralization of schools is what is wanted.

## GENERAL ASSEMBLY, SPECIAL MEETINGS.

RICHMOND, Ind., May 23.—Inaugurating the forty-eight annual session of the General Assembly of the United Presbyterian Church in North America, a men's conference was held tonight, addressed by noted speakers.

### DATE FOR CONTEST.

The call has been issued by James Lewis for the meeting of the Board of Elections of the Sixth District for May 31, for the hearing of the protest of C. Q. Hildebrand against H. L. Smith for Congress, both being nominated by rival conventions. Judge Smith has not yet filed his certificate of nomination and it is not known when he will do so. The Hildebrand men have a majority of the board as was evidenced when Judge Smith backed down on the term of settlement.

## MISS SHONTZ'S LECTURE.

Before the grandest audience that ever assembled in the opera house, Miss Eva Marshall Shontz, gave her lecture "My Captured Flag," Thursday evening.

The lecture dealt with the liquor traffic and the situation was clearly put to the audience. It was attacked from all sides, arraignment of the liquor forces, "Boss" George B. Cox of Cincinnati and other "graffers" coming in for a scathing rebuke.

As a word picture, Miss Shontz excels anyone ever heard on the local stage. For nearly two hours she held the strict attention of the audience. Could it have been possible for every voter in the township to have been present on this occasion, we feel that many subjects that confront the voter would easily be disposed of.

The music of the evening was furnished by a choir from the different congregations under the direction of Mr. G. F. Siegler. The numbers were patriotic and Miss Shontz, in thanking those for the decorations, etc., complimented the choir and the leader.

The meeting was presided over by Prof. McChesney, prayer and the benediction being offered by the Rev. J. Y. Boyce, D. D., of Philadelphia.

## TOWNSHIP COMMENCEMENT.

The Cedarville Township Commencement was held in the opera house Tuesday evening, every seat being sold in advance of the opening of the doors. As in former years there was little trouble in crowding the house on this occasion.

The township this year had thirteen graduates and the program was exceedingly interesting, there being recitations, choruses, songs and drills.

Rev. W. J. Sanderson offered the invocation after which came the program as follows: "A Bird Story," Bruce Anderson; "Joony," History Lesson," John Arthur; "The Little Black-eyed Rebel," Edith Barber; Drill—Sun-bonnet girls and Overall boys; "The Washer-woman's Friend," John Collett; "Rheocous," Fay Conner; "Jerry, the News boy," Carl Corey; "Americanism," Ralph Kenyon; Drill—Baby Hoop; "God is No-where," Edna Stormont; "Arrived on Time, But to Late," Hazel Stormont; Drill—May Pole; "Ma's Way," Ruth Tomkinson; "The Old Forsaker School House," Fred Tomkinson; "Kentucky Delle," Carrie Tomkinson; Music-Chorus; "The Boy of the Family," Hugh Turnbull.

As is the custom judges were appointed to select the best speaker of the evening to represent this township at the county commencement in June. Messrs. Carl Paul, G. R. Jobe and Rev. W. J. Sanderson selected Miss Carrie Tomkinson, first and Miss Ruth Tomkinson, second.

The choruses were under the direction of Mr. G. F. Siegler is worthy of praise, the young people being well trained. As to the drills, the teachers of the district have taken considerably time and pains to work out the novel ideas as were executed. Such things require hard work for teacher and pupil, which only shows that the former have a personal interest in the schools.

The diplomas were presented by Superintendent Crawford who made a few brief remarks to the class as to their future work.

Small children are especially benefited by Ayer's Sarsaparilla. It cures all kinds of blood diseases, such as scurvy, rickets, and all the ailments that result from impure blood. It is a safe and reliable medicine, and is sold by all druggists.

## CLASS OF FOURTEEN.

The Thirtieth annual commencement of the Cedarville public schools took place in the opera house last Friday evening before a large crowd. The class which consisted of fourteen, ten girls and four boys, was the largest in the history of the school.

The stage had been tastefully decorated with the class colors, green and white, and potted plants and ferns. The auditorium was also decorated with the class colors, making the whole a very attractive scene.

The music for the evening was furnished by Riglo's Orchestra of Springfield.

The members of the class each acquitted themselves nobly, the delivery, composition and thought being a credit to each. The members of the class of '06 are to be congratulated on their success.

**Care of the Hair.**  
Instead of washing the hair (which takes off the natural oil and causes it to "fly just everywhere" for several days, until the oil exudes and is brushed over the hair) spread a clean, white cloth that will not lint over the slightly parted fingers of the left hand and with the right one rub your brush thoroughly, but gently, on the cloth. Brush the hair a few minutes and again clean the brush by rubbing on the cloth. Hair treated in this way ten minutes every evening for two or three weeks will be clean, soft and silky. National Magazine.

**Remedy For Insect Pests.**  
A good way to rid the house of pests is to place an old cancer under different articles of furniture in the room filled with a strong solution of carbolic acid. Close all the windows and doors and keep them closed for twenty-four hours. Then remove the carbolic acid, air the room, and not an insect will come there for a year, so those who have used it affirm. Use only the dark brown carbolic acid, and never use it but once in a room, throwing it away as soon as the room is aired, cancer and all.

**Menu For a Luncheon.**

## FOR THE LITTLE ONES.

How to Play the Exciting Game Called Touch the Third.

To play "terce" or "touch the third," the company must stand in a circle in pairs, one behind the other, excepting in one place, where they stand three deep. One person stands outside the circle and is on no account allowed to go within it. The object is to touch the third one, wherever she may stand. But when he attempts this she darts into the circle and takes her place before one of the others. Then the third one, who stands back of her, becomes the object. But she likewise slips into the circle and takes her place in front of some one else. The pursuer is thus led from point to point in the circle, for he must always aim at the one who forms the outside of a row of three. Any one caught changes places with the pursuer. This is something like the old game of fox and geese.

## Game of Grammar.

The game of grammar is very enjoyable. One plays teacher and the others pupils. The teacher says, "Write a list of nouns." The pupils get to work, and the teacher watches their lists. The one who first makes the mistake of writing down something which is not the "name of anything"—i. e., a noun—has a bad mark set down against him. Then "verbs" are required, and the same procedure follows. Next "adjectives" next "adverbs," etc., until all are ready to quit.

## A-vo-n, Not Av-on.

Most boys and girls if asked the name of that town in England that Shakespeare has made famous most of them would be likely to answer, "Stratford-on-Av-on." And neither he nor any one else would have a right to find fault with them for pronouncing the name of the river in that way, for almost everybody calls it Av-on. Your dictionary will tell you, however, that it is A-vo-n. Ask the teacher of your geography class. Perhaps he or she may have fallen into the error of saying Av-on.
