VOLIVA WINS.

The election in Zion City Tuesday in accordance with the court's order, that an overseer be chosen by popular vote. Wilber Glenn Voliva received 1911 while A. H. Bliss only received 6 votes. Dr. Dowle refused to become a candidate. Women and men voted alike the former singing and praying as they entered the voting place. The dispatcher fails to state whether any votes were challenged or persons denied their vote because they refused to support a liquor candidate at a former election. If Dowle failed to make the race he should have employed Rev. to manage the campaign and conduct the election. Had such been done, Voliva's defeat was sure.

Mr. Collins Williamson had left the team stand in the burn lot for a few minutes when something frightened the animals. The horses in their madness collided with a cement water trough and the leg of one of the horses was caught between the trough and the wagon breaking the leg. INTERESTING SERVICE.

Last Sabbath afternoon an interesting service was held in the interest of the colored Y. M. C. A. in the A. M. E. church. It ought to lead the young men to see what possibilities are before them.

Prof. W. C. Currant who gave the address, is a young man of 31 years, intelligent, and honored and yet having obtained his education and achieved his success under the great disability of total blindness. Young men in the possession of all their God-giving powers have many talents to give an account of in the great day. The Y. M. C. A. under the direction of Prof. Masterson is an opportunity for the young men and they should make the best of it.

THE SECRET OF SUCCESS

"We Sell You cannot profit by any advertisement
unless it is being used successfully."

Twenty million bottles of August Flower
are sold in the United States each
year. This is the demand for its
success. It is a fine showing
of success! Don't it prove that August
Flower has had untiring success in the
cure of indigestion and dyspepsia—the
worst enemies of health and happiness?
Does it not afford the best evidence that
August Flower is a sure specific for all
stomach and intestinal disorders?—that it
is the best of all liver regulators?

August Flower has a matched record
over 20 years in curing the 100 mil-
lions of cases of disease complaints.

Heart Weakness

The action of the heart de-
pends upon the heart's nerves
and muscles. When from any
cause they become weak or ex-
hausted, and fail to furnish
sufficient power, the heart flut-
ters, palpitates, skips beats,
and in its effort to keep up its
work, causes pain and distress,
such as smothering spells,
short breath, fainting, pain
around heart, arm and shoul-
ders. The circulation is im-
peded, and the entire system
suffers from lack of nourish-
ment.

Dr. Miles' Heart Cure makes
a heart strong and vigorous by
strengthening these nerves and
muscles.

"I had palpitation and pain around
my heart, and the doctors said it was
incurable. I don't believe now, for
Dr. Miles' Heart Cure, three bottles of the Nerve and
Liver Pills, will cure me. I have had
it ever since then; it has cured me
and it is all due to these remedies. I
want you to know that your medicine
has been a great blessing to me. I took
the first dose, and I kept right on till the
part in my heart was all gone. I am
now well again, and I hope you will
take my money." JOHN H. SHERMAN,
Benton, Mich.

Dr. Miles' Heart Cure is sold by
all druggists, who will give you
a free sample. It will benefit. If it fails
we will refund your money.

WINE OF CEDAR

If a Cow gave Butter

mankind would have to
invent milk. Milk is Na-
ture's emulsion—butter
put in shape for diges-
tion. Cod liver oil is ex-
tremely nourishing, but
it has to be emulsified
before we can digest it.

Scott's Emulsion

combines the best oil
with the valuable hypo-
phosphites so that it is
easy to digest and does
as more good than the
oil alone could. That
makes Scott's Emulsion
most strengthening,
lourishing food—med-
icine in the world.

The "gang" organ edited
by Judas Wright, the political
and "pimp" of Boss Andrew
wants to know just who the
amules are that have com-
plained of the school book
told up. The board purchas-
ed the books with public
unds and Jackson gets the
profit. Probably the board can
easily find out those satisfied
and those not by inquiry.
The Herald will name no
special families to become
targets for the "gang" by re-
porting the result of "gang"
work in the schools. A little
inquiry is all that is needed
and if might be well for the
board to delegate its pres-
ident for this work. The
ratio of complaints will be
about the same as the vote
in the new school house.

One Among Many.

"All of us fellows in the graduat-
ing class," said the tall young
medical student, "have decided to
raise a beard."

"That should be reasonably easy,"
replied Miss Penney. "How many

Starving to Death.

Because her stomach was so weak-
ened by useless drugging that she
could not eat, Mrs. Mary H. Wal-
ters, of St. Clair St., Columbus, O.,
was literally starving to death. She
writes: "My stomach was so weak
from useless drugs that I do not
eat and my nerves so wrecked
that I could not sleep; and not
before I was given up to die was
I induced to try Electric Bitters,
with the wonderful result that im-
provement began at once, and a
complete cure followed." Best

anteed by all druggists.

Public Salesman can never be well
if he is not well himself unless you have a bill
that will stand the weather. Many
farmers in fact most all of them
have learned by experience that the
best bill on the market is the one
put out by the Herald. The five
years that we have used the cele-
brated Wazemingo stock we have
not one complaint. Other houses often
try to influence the customer by
taking the "just-as-good" kind,
knowing that the Herald has exclu-
sive rights. Beside the "quality" of
the stock, we give a free notice
of sale, not a condensed report up
until day of sale.

Well Worth Trying.

Dilativeness. 25¢ Guaranteed at

side make a straight cut to the center
of the piece, then bend the piece into a

REGIMENTAL REUNIONS AND FORTY
THIRD ANNIVERSARY BATTLE
CHICKAMAUGA.

CHATTANOOGA.

SEPTEMBER 18-20, 1906.

On September 18, 1906, will occur
the 43d anniversary of the Battle of
Chickamauga. It is proposed to
celebrate this memorable event with
a reunion of the various regiments
that participated in this memorable
battle and the various battles fought
around Chattanooga. This reunion
will be held at Chickamauga National
Park, September 18, 19 and 20, and the
present indications are that it will
be the largest and most notable
gathering ever held in the South.
On the above dates, the remnants
from the armies of 12 states, comprising
the following: Pennsylvania,
Ohio, Michigan, Indiana, Illinois,
Wisconsin, Minnesota, Iowa, Nebraska,
Missouri, Kansas, and Kentucky,
will assemble, many for the first
and last time since they marched
from its blood-stained fields
forty-three years ago.

Here is one of the great opportuni-
ties for the education of the youth.

Don't fail to take your children

and show them historic Chattanooga,

with all its historical connections.

It is the opportunity of a lifetime.

Go and see the old war generals

and other officers point out the places

of interest on the battlefield; let

them show you and explain, in person

the markers erected on the battle-
field showing the positions of the

opposing armies at the time of battle.

It will not be long until none will be
left to do this noble work.

It will be many years, if ever

again, that such an opportunity will

present itself. See that your tickets

read via the Louisville & Nashville

R. R., the Battlefield Route. Call
