### **Dayton Man Is** Killed by Train . Near Osborn

Funeral services for Frank West, 38, Dayton, whose body was found Saturday afternoon along the New York Central railroad tracks, opposite officers gate 9 at Patterson field, a mile west of Osborn, was held in West Liberty, Morgan county Ky., his former

A verdict of accidental death was given by Coroner H. C. Schick who said the man apparently had been struck by an eastbound New York Central train about 2:30 a. m. Saturday. He suffered a broken neck, abrasions on the back and a wound on the left side of the head although his skull was not fractured.

The body was carried on the engine's pilot about 100 feet before rolling to the side of the track.

Deputy Sheriff James R. Ramsey investigated after being notified of the accident early Saturday afternoon by railroad officials. The body was found by Donald Snouffer, 14, and his cousin, Dallas Snouffer, 17, of Osborn View as they were walking across the double tracks of the New York Central and Erie railroads, at the edge of Wright View. The body was about 100 feet east of a path across the tracks. The boys notified a Patterson field guard who contacted railroad officials.

Deputy Ramsey learned West, employed as a baker by the Grocers Own Baking company, Dayton, had visited at the home of his brother, James West, Riley and Ohio streets, Wright View. The man and three of his brothers visited until about midnight when they retired but the brothers could give no explanation as to why Frank later left the West

A possibility the victim might have met with foul play was expressed by Deputy Ramsey preceding the coroner's investigation. A small amount of money was found in West's watch pocket, precluding a robbery theory, according to the deputy.

A native of West Liberty, Ky., Mr. West was the son of the late Mr. and Mrs. Ezekiel West. He moved to Dayton four years ago. He is survived by six brothers, Roger, of West Liberty, Ky., Kesser, Middletown; James, Daniel. Lester and Richard, Wright View, and two sisters, Mrs. Virerty.

### Wright Field to, **Hold Open House** On August 3 Featuring an elaborate air-

craft and laboratory display, air material command headquarters, Wright field, Dayton, is holding an open house on Sunday, Aug. 3 in commemoration of the 40th birthday of the army air forces.

On display will be numerous types of the latest aircraft and a review of the latest research undertakings now underway in the laboratories. A flying show is also scheduled.

Static display of aircraft will include such fighter planes as the P-80 which established a coastto-coast record from Burbank, Calif. to LaGuardia field, New York in 4 hours 13 minutes, 26 seconds and also won the Thompson trophy races last year, The

Two of the war's most famous bombers will be shown, including the B-17 flying Fortress which was the drone plane flown through the atom bomb cloud at Bikini, and the B-29 Superfor-P-82 named "Betty-Jo" which flew non-stop from Hawaii to New York this year in a record breaking longdistance hop, and a P-51 with ram jets on th ewing

tress. Two medium attack bombers, the A-26 and the A-20, the latter featuring the latest type caterpillar landing gear will be on the line.

Included in the display will be a number of transport planes, the C-97, giant cargo ship which is the transport version of the B-29, the C-82, C-74, and the C-69. Two helicopters, the R-5 and R-13 together with the F-15 photographic planes complete the program of aircraft on exhibit.

ville college won a pair of games The theme of the laboratory during the past week as they displays will be past, present and downed Cleves 6-2 on Saturday future trends in aeronautical and won over the highly rated science. From the AAF museum Springfield Bearcats on last will come the first army air Thursday evening by a count of forces training plane, the old PT-1. The B-29 will be shown Judy pitched for the Jackets with a complete break-down of against the Springfield nine while everything it carries exhibited Marcus Townsley was on the hill around the aircraft. This will include blueprints of the bomber. On Tuesday they won over Wilbombload, armament load, and mington by a score of 15-3 in other equipment used in this most Coach Mendell E. Beattie has

famous of war aircraft. A complete picture of air material command activities will be embodied in the various laboratories exhibits. On display will be a comparison of both the old and new type link trainer. Visitors will be allowed to operate the old link trainer. Small radio controlled target ships will be on

display. The instrument known as the odograph which is an automatic tracer of the pilot's flight course will be on display along with all types of parachutes, including the ribbon chutes and high speed

A unique display which will allow visitors to imagine themselves in the cock-pit of an aircraft actually in flight will be shown by means of a radio range which will broadcast all the sounds heard by a pilot over his radio set while in flight.

There vill be a mock-up of fighter plane cockpit with a display showing the evaluation of the plane's instrument panel. A graphic exhibit showing the evaluation of static testing, showing stress and strain that a plane can

stand will be available. A model of a working section of the horizontal wind tunnel will be demonstrated, showing how the latest type jet fighter is tested for reaction to high speeds. There will also be a working model of the vertical wind tun-

A glimpse into the future of a possible aircraft of tomorrow will be embodied in models and paintings of future aircraft design studies.

Among the other things that will be shown are radar displays, jet engines, the latost crash jeep, and oxygen systems using the extreme high altitudes.

The show will start at 12 noon and run until 5:00 p. m. However, the gates will be open to the public as early as 11:00 a. m. There will be special parking space available; refreshment stands will be placed throughout the exing. He said it had been left there hibit.

### Fairgrounds to **Get Spraying** With DDT

Once in a big while you meet someone who says, "same old fair." But how could that be? There are new features and methods introduced each year. One of the new features for 1947 is. . there may be fewer flies!

There are two reasons for saying that. One is that the Peet Perfection Mineral company of Indianapolis, Ind., through Arthur D. Hanna of Cedarville has made arrangements with the fair board to spray and to disinfect the swine barns, before the fair. This should help.

The other reason is that J. Earl McClellan of the McClellan Hatchery, Xenia, has contracted with the Greene county agricultural society for DDT spraying of the dining room, the secretary's office and space about the grandstand, and both the new and the old rest rooms. Surely all this preparation to reduce fly-attendance should make for better comfort for our patrons.

in the grounds have lessened the dust annoyance. Just now it looks some dust accumulate, at Anderson. least on the race track, to prove that it does not rain all the time. Even these few things show that this will be not the "same old fair" but the "Best Yet!"

### Free X-Rays to **Be Given During** Fair Week

During fair week the Greene County Public Health league is offering free chest x-rays to the residents of the county. The x-ray equipment will be located in the art hall at the health department

The new feature of the x-ray unit to be used is, that persons being x-rayed need not remove any clothing, as was necessary before. This procedure need cause no embarrassment to any one.

The current issue of Look magazine, now on the newstands, show scenes of a mobile x-ray unit in operation, illustrating the great ease by which one may be xrayed.

This exhibit is intended to acquaint the people of Greene county with the equipment and procedure used in mass x-raying. It is regretted that the Health league will only be able to give 1,500 free x-rays, because of previous committments to do an x-ray program in the schools this fall. When that number is reached it will be necessary to make a small charge.

Health league officials estimate that only one in every 200 persons x-rayed will need further examination. It is not anticipated that many advanced cases of TB will be found, as most of these cases are already konwn, and under some form of treatment. If any other condition in the chest is active, such as enlarged heart or cancer, the x-ray picture will show this. All reports will be given to persons direct where no condition is found, where any condition is found to exist the report will go to the persons physician. Strictest confidence will be maintained.

The Health league urges that after each person receives their report they will go to their doctor for a complete physical checkup, and continue each year to get an x-ray and have a complete examination.

A new linoleum floor has been slipping.

### Many Cars Are Checked Locally

Chief of Police Fred Ewry has announced that a considerable number of cars have been checked locally by him for mechanical defects in the drive being conducted jointly by the Association of Ohio Police Chiefs and the state highway patrol.

Chief Ewry warns motorists that cars which do not carry a yellow sticker by the end of July may be headed for trouble. He states that the highway patrol has the authority to check cars at any time and those not carrying the sticker and having mechanical defects will be prose-

### W. A. Vayhinger **Dies While** Visiting Brother

Services for William A. Vayhinger, 72, of 4827 Lake Park avenue, Chicago, brother of Ira D. Vayhinger, president of Cedarville college, who died in Springfield City hospital Friday at 10:35 p. m., were held at the Methodist church, Osgood, Ind., Monday at 2 p. m. Burial was in Glendale Cemetery, near Osgood.

Mr. Vayhinger, who with his wife came to Cedarville early last week to visit his brother, was stricken with a cerebral hemorrhage Thursday night. He was taken to the hospital immediately 'but died without regaining consciousness. Mr. Vavhinger, who The paved roadways or streets suffered a heart attack eighteen months ago, became ill while attending a picnic in the garden at as though we might be glad to the home of Dr. and Mrs. Leo

> The son of Albert and Mary Jackson Vayhinger, he was born in Delaware, Ind., Feb. 15, 1875. ·He was an executive of Hyde Park National bank, Chicago, and was a member of the Methodist church, Masonic lodge and Modern Woodmen of America

Besides his brother, he is survived by his widow, Mrs. Leah Mc-Coy Vayhinger; a daughter, Mrs. O. J. Woodard. Chicago: a grandson; a sister, Mrs. Ada V. Dare, Delaware, Ind., and three other brothers, Edwin, Logan, Ia.; Gus, Seattle, Wash., and Bert. Madison.

### **AAAto Resume Payments** To Farmers

Although a dispute continued in congress over the final amount to be appropriated for the 1947 agriculture conservation program, the Greene county AAA office was advised to resume payment operations, including purchase orders.

Joseph B. Mason, county AAA chairman, said this order, received from state AAA headquarters, will mean resumption of payments on soil building practices, of which application of agricultural limestone and fertilizer are the two major practices in this

Purchase orders issued this spring by the AAA office to 316 farmers for agricultural limestone and fertilizer were cancelled May 23 after a report was presented to congress proposing a reduction in AAA allocations for the fiscal year beginning July 1.

Allocations to Greene county under this year's budget had been set at \$89,997. Under the proposed reduction, this amount will be cut slightly, but the amount Greene will receive has not been

#### Winner in Bible **Reading Contest**

Miss Joanne Sanderson of the young people's society of the Clifton United Presbyterian church was winner in the Bible reading contest of her age group at the Spiritual Life conference held at Hanover, Ind., last week. A few weeks ago she had won in the Presbyterial contest held in Xenia. There were a number of contestants. Her winning in this contest entitles her to a place on laid in the postoffice at the opera the Bible reading contest to be Mrs. Anna Wilson has had as house and a new step placed in held at Geneva Lake, Wis. during Aug. 19-24.

### **Fund for Pool Nears \$400** Mark in Drive

The fund for the swimming pool at the community park has swelled to near the \$400 mark, it was announced Lis week by Vincent Rigio who is heading the drive to raise the funds for the construction of the local pool.

Last Saturday night the entertainment netted the fund near \$50 and this Saturday night there will be an ice cream social on the lawn at the rear of the opera house.

The committee in charge of the ice cream social will be the same as the one of the first social which was held about a month ago. This committee is headed by Mrs. Inez Rigio with Mr. and Mrs. Clyde Walker completing the

Mr. Rigio also announced that another entertainment will be Saturay evening and that the group is planning to hold another boxing show sometime again this

### **August Deadline** For Two GI Insurance Benefit

Although the time for reinstating national service life insurance has been extended to next Jan. 1. veterans administration today emphasized that Aug. 1, 1947, still remains the deadline for applying for two other insurance

The first concerns veterans who nay be entitled to waiver of premium payments because of total disability existing for six or more consecutive months. Waiver in such cases generally is made effective from the date the period of disability commenced, but not more than one year before VA's receipt of the insured's application for waiver.

If application is made by Aug. 1, however, and entitlement to waiver is established, it may be made effective from the beginning of the disability period as far back as Aug. 1, 1941, and premiums paid while the insured was totally disabled will be re-

After next Aug. 1, waiver of premiums paid more than a year from date of application will be granted only in special cases where it can be shown that the insured was unable to apply within the time limit. .

The other deadline affects beneficiaries of deceased NSLI policy holders who, prior to death either in service or after discharge, became eligible for waiver of premiums but never applied. Such beneficiaries may claim refund of waived premiums during the insured's total disability extending as far back as Aug. 1, 1941, if application, with evidence of the insured's right to waiver, is made by Aug. 1 of this year.

After that date, waiver normally will not be granted for any premium which was due over a year from the insured's death, and the beneficiary must apply within that time. Exception is made where the beneficiary is incompetent or a minor, in which case application must be filed within one year from removal of the legal barrier.

Forms and assistance in applying for these benefits prior to the Agust 1 deadline are available at any VA office.

#### Whooping Cough Is Serious Disease Whooping cough is one of the

most serious (even fatal) disease of infancy. There are still many parents who do not seem to give this disease the consideration which it deserves. It has been proved beyond all question of a doubt that whooping cough vaccine does protect, and frequently prevent. We have had a fairly large number of cases (conclusion based upon rumor) among infants. Parents should have their children immunized at once if this has not been done, and Booster doses should be given children who have not been immunized within the last three years. Use every possible means to prewhooping cough.

## IN CHARGE OF 1947 YOUTH FAIR

Jack Moulton Robert R. Fisher Roy Huffman, John J. Bowerson

. Yvenna Swank Mercedes McCullough June E. Boyd. Patricia Del:

Eugene Neds Charles Altizer Haudenschild William Meggitt

Cory, Farmers Institutes; Charles Altizer, Columbus, School Gardens; Robert . Fisher, Carrol, Boys 4-H club; June Elizabeth Boyd, Middleburg, Girls 4-H club; George H. Haudenschild, Lakeville, Juvenile Grange William Meggitt, Green Springs, Future Farmers of America: Yvenna Swank, West Milton, Home Economics Education; Roy Huffman Columbus, Industrial Arts; Jack Moulton, Lucasville, Boy Scouts; Mercedes McCullough, Columbus, Girl Scouts; and Patricia Dell, Galena Camp Fire Girls,

### No Cub Scout **Meet Next Week**

It has been announced that there will be no meeting of the Cub Scouts next week due to the county fair.

Last week the Cubs went to the Xenia pool for swimming and this week they will go on an evening camping trip.

### L. E. Sickels Dies Monday In Springfield

Lewis Edwin Sickles, 68 of 355 South Miami avenue Xenia, died in Springfield City hospital Monday morning. He had been seriously ill eight weeks and en-

tered the hospital a week ago. Born at Ray, O., July 13, 1879, he moved to Xenia in 1918. He is survived by a son, Charles, of South Charleston; a daughter, Mrs. Bertha Johnson, near Cedarville; a step-daughter, Mrs. Helen Craig, Xenia; a brother. Everett. and a sister. Mrs. Mattie Markel,

Services were held at the Neeld Funeral Home Thursday at 10 a. m., in charge of Rev. Thomas Wooten, of the First Baptist Church. Burial was in Woodland

### Four from Cedarville At Ohio State

An enrollment of more than 12,000 students is reported for the summer quarter at Ohio State University, greatest number for this quarter in the history of the 11,483 students. The enrollees school. Last smmer there were this year include from Cedarville James H. Finney, Walter H. Johnson, Doris C. Ramsey, John T. Reinhard.

RETURN HOME

Mrs. Emma O. Wilson has been visiting her daughter, Mrs. Dillon Kable, at Fort Wayne, Ind. in this vicinity for a few days.

## **Board Discusses** Plans for the **Coming Year**

Plans for the 1947-48 curriculum at Cedarville college and arrangements for housing more students the coming term were discussed by college trustees at a special meeting at the school Friday.

J. A. Finney, Xenia lawyer and president of the trustee board, presided at the one-day session. The board is composed of eighteen members

Trustees are planning for an enrollment of more than 200 students the coming year, depending upon housing facilities, President Ira D. Vayhinger said. A frame structure, allocated to the college recently by the government, will be moved soon from Patterson field and will be set up on the north side of the campus near the Rife House, a men's dormitory. This structure will accomodate fifty students and will be used as a men's dormitory.

### Dahl, Linder to Be in Dayton

Tom Linder, director of agriculture of the state of Georgia, and Carl H. Wilken, Economic Analyst, Washington D. C. will be at Dayton, at the Gibbons hotel on July 31, Aug. 1, 2 and 3, for interviews by any persons interested in the economic situation in the United States.

Both speakers will be on a national radio hook-up with station W I N G of Dayton for Sunday Aug. 3. Speakers and program have been arranged by the United Farmers of Ohio Inc., with a picnic at Island Park, (band shell) Dayton Sunday August 3.

The speakers will discuss a proposed sound agricultural program for the United States.

#### CLARENCE J. BROWN Writes With a Buckeye In Congress Member of Congress Seventh Ohio District

Despite a heavy log-jam of leadership are still planning on final adjournment of the first session of the 80th congress on Saturday evening of this week-July 26th. The only thing that may possibly compel congress to remain in session longer are a few bitter disagreements between the house and senate on the appropriation bills, resulting from the senate having heavily increased many items above the more economy-minded house figures. Under the reorganization act congress can amend the reorganization act if it becomes necessary to remain in session longer. Most capitol wiseacres, however, expect to see the curtain drop on the congressional scene Saturay night.

Heavy war-time taxes on the American people will not be eased during 1947-and perhaps not during 1948—as the result of the senate sustaining the president's veto of the second tax reduction bill last Friday by a vote of 57 to 36. Earlier Friday the house had voted to override the of 299 to 108. Those who have reduced by as much as thirty per cent have just one man to blame-Harry S. Truman, president of the United States. Never before has any president vetoed a tax reduction bill-let alone two. Each time the congress failed by only a few votes to override the veto. The British people, who are maintaining their government on American loans have had their war-time taxes cut twice since the shooting stopped, but President Truman insists American citizens are not entitled to any tax reduction at

While the congress has enacted legislation appropriating the money to carry out American aid commitments overseas including relief for Greece and gress to appropriate additional huge sums to support Truman foreign policy program in the future. There are those who are already saying "if we cannot afford American citizens relief from heavy wartime taxes, certainly we cannot afford to send

citizens of other nations."

The house has established a special committee of nineteen members to make a thorough study of world economic conditions, the need for American aid abroad, and the ability of the United States to furnish such aid without injuring our own economy. The committee will conduct its hearings and investigations during the congressional recess. The membership of the committee will be made up of representatives of the various regular legislative committees of the house having jurisdiction over different phases of our national economy and foreign policies.

According to a report given congress, 223 federal workers were discharged, and some 1000 others were forced to resign or leave public service, in the nine months period ending April 1, as a result of disloyalty charges made against them. Civil service commission chairman Flemming testified before a congressional committee last week that there are 3381 active subversive persons on the federal payroll at the present time, 1272 of whom are either holding jobs with the atomic energy commission or in the war, navy and state departments. Some forty thousand other federal employees are on the questionable list and will be investigated as the result of leg-

islation passed by the house last

The commission of twelve members to make catudy and investigation of the executive branch of the government, as provided in legislation sponsored by your humble servant, was named last week by the appointing officers, President Truman named as his appointees, James F. Forrestal, secretary of the navy, Arthur S. Flemming, chairman of the U.S. civil service commission. Dean Acheson, recently resigned undersecretary of state and George H. Mead, industrialist of Dayton, O. President pro tempore of the senate Vandenberg named as his appointees, Dr. James K. Pollock of the University of Michigan, Joseph P. Kennedy, former U. S. ambassador to Great Britain, and senators Aiken of Vermont and McClellan of Arkansas, Speaker Martin of the house appointed Ex-President Herbert Hoover. James H. Rowe, former assistant SEND INVITATIONS to president Roosevelt and the

dent Trumen, in a public statement said that the "work of the commission should prove of great value: and "that a bold, comprehensive, fundamental review of the governments organization and operation is required if it is to meet the challenge of the modern :aworld." It is believed former...; President Hoover will be offered the chairmanship of the commission if he will accept. One half of the commission members are from the government. While the others are private citizens, with each category being equally divided between the two major political parties. Findings and recommendations of the commission will be reported to the 81st congress and to the president in January of 1949.

President Truman's proposal to congress to create a Missouri Valley authority, similar to the Tennessee valley authority, at a total estimated cost of some two and one-half billion dollars, is under attack from all sides this week. The President's proposal received no legislative consideration after it was filed. As a result of his years of experience in the senate, Mr. Truman undoubtedly knew it would be impossible for congress to take action on this matter before adjournment.

> O. R. Camp .Aug. 2-3 Older rural youth of eight central-western Ohio Counties will take part in a two day outing at Camp Clifton Saturday and Sunday Aug. 2-3.

The camp is for young people over 18 years of age and out of high school. Reservations should be made at the county agents office not later than Friday July

John T. Mount, assistant state 4-H leader and D. B. Robinson, assistant supervisor of programs at O. S. U. will be program directors. Registration will begin at 1:30 p. m. Aug. 2 with Dale Atley, Ross township; and Phyllis Jennings, Xenia township in charge. Use DDT For Grain Weevil

Indications are that a lot of wheat will be stored on farms and to reduce damage from grain weevil it would be well to spray all empty bins before harvest with DDT.

First, clean the bin of any remaining grain or waste material. Second, spray the wall and floors thoroughly with a 5 percent DDT solution. Use a water or emulsionrather than an oil solution. An oil solution may used if the oil is deoderized.

Farm Men's Camp Aug. 16-17

Farmers of Greene county will hold their annual week end camp at Camp Clifton Saturday and Sunday Aug. 16-17. The camp is sponsored by the Farm Forum, and this year a committee from Silvercreek township headed by Stanley Hetzler and Karl Robinson will be in charge.

A number of improvements have been made at the camp this year which will add to the comfort of campers. They, include new tents, concrete tent floors, a drilled well, new parking area and bridges.

Late Blight Hits Tomatoes Late Blight is showing up on tomatoes and the wet, cool weather is ideal for the spread development of the disease. The fungus attacks both the leaves and fruit with large water-soaked dark colored spots on both.

Fived copper, dithane, or bordeaux mixture are recommended for control and should be applied at weekly intervals wherever the disease is not yet present. However, where the disease is present, applications should be made every 4-5 days until the disease is under control.

Two hundred invitations have

the United Presbyterian Church bers were present. Rev. Jamieson will officiate.

STEAK FRY The Masonic club held a steak

#### Wisdom, Understanding For Our Daily Living

LESSON TEXT FOR JULY 27-Prova erbs 1:1-5; 3:13-18; 9:9, 10; James 1:5. MEMORY SELECTION-Wisdom is the principal thing; therefore get wis-dom; and with all thy getting get understanding.—Proverbs 4:7.

EDITOR'S NOTE: Lesson subjects and Scripture texts selected and copy-righted by International Council of Re-ligious Education; used by permission.

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute, Chicago. DUCATION is so widespread in our day, and so eagerly sought after, that one might assume that the world would soon solve its problems through the cultural attain:.. ments of its people.

Why this is not true appears. clearly in our lesson; for it is wisdom that the world needs, and wisdom is quite different from the understanding or memorizing of a mass of facts.

Wisdom teaches us how to use knowledge effectively for the glory of God. We see in our lesson: I. The Meaning of Wisdom (Prov.

DROVERBS are pithy, useful sayings, which gather up the wisdom of a people in easily remembered form. They are highly thought of in all nations, but reached their highest, development among the Hebrews, because they rightly insisted that they must be related to God and worship of him.

We learn in this passage that they Hitlers Reich chancellery after are given to us that we may "know" that we have both wisdom and instruction. The growth of knowledge is always a prerequisite to growth in grace-learn more about 

Knowledge must be coupled with discernment (v. 2), which speaks of going beyond and below: the surface meaning. This will not be an abstract love of the scholarly, but a practical application of truth to life (v. 3). Wisdom rewills in right living and property dealing with our neighbors, ... ar. Trvine.

The one who has come to this place is ready to give (v. 4) help to others, especially to the young or those of "simple" thinking, who have not yet reached the place where they can get hold of such things for themselves.

Notice that the wise man does not stop at that point, but because he is wise he goes on to more and more understandings, to further receiving and giving out of "sound counsels" Observe next, .

II. The Value of Wisdom (Prov. 3:13-18)

THE character of a man shows ap in the things he holds to be valuable. Some cannot see beyond gold and silver. Others seek comfort and convenience, and do not wish to be disturbed in their easy

The wise man knows that for real pleasure of the highest type, for peace of mind and heart, for riches that will last and not bring him into either sin or sorrow, there is nothing like the cultival Mon of understanding and wis-

This scripture affords us the opportunity to say a needed word to young people who are being so sorely tempted these days to forego their opportunities for an education, 1304M3 and to rush out into the world to make money, more money, yes, the most possible money.

Education seems to be unnecessary, a waste of time and effort. But wait, the years will come and go, and then when it is too late, the realization will come that a golden opportunity was missed, and that doors of usefulness and effectiveness are now closed.

and cents value now, for that is secondary, even though it may be important.

III. The Source of Wisdom (Prov. Cabins built to your specifications. 9:9, 10; James 1:5).

GOD is the source of wisdom, and. Ohio. he becomes wise. The fear of God FOR SALE-Late Cabbage plants. is not a matter of fright or terror. Marvin Agnor. but rather a genuine concern that one may do his will and never fail

than we are to receive. He will not turn us aside, or belittle our efforts; but will, if we ask, give wisdom, suite: Phone 6-147F. and that in no little measure.

MISS JOBE HONORED

Miss Dorcas Ann Jobe, whose marriage to Beryl Grubaugh, Van Wert, will take place Aug. 9, was complimented at a party and "what-not shower" at which Mrs. Greer McCallister was hostess at her home on Cedar street, Saturday afternoon.

Mrs. McCallister was assisted in entertaining by her 61/2 year old son, Karlh, who will be ringbtarer in the Grubaugh-Jobe wedding party.

Guests were invited to the Mc-Callister home for a dessert course served at a table centered with a wedding cake topped by a miniature bride. White satin ribbons to which miniature bags of rice were attached extended from the cake to each cover.

For entertainment, the guests fashioned "brides" from clothes pins. Gifts for Miss Jobe were arranged in a small wagon and were presented to her by Karlh McCallister. Miss Margaret Stormont, bride-elect of Millard French, South Solon, was a guest at the party and was presented a gift by Mrs. McCallister.

The wedding of Miss Jobe and Mr. Grubaugh will take place in the United Presbyterian church.

#### TWO SHOWERS

Miss Margaret Stormont brideelect of Millard French was complimented this week with two parties. Mrs. H. K. Stormont and daughter Norma entertained Tuesday afternoon with a miscellaneous shower. Forty guests were present and the bride to be received her gifts from a table decorated with flowers, pink and white colors were used and heart shape ice cream and cake decorated with hearts were served to the guests. Thursday evening Mrs. Arnet Gordon and Mrs. Raymond Spracklin entertained with a miscellaneous shower at the home of Mrs. Gordon. The guests were Sunday school primary teachers and members of the former Sunday school class of Miss Stormont. Appointments of pink and white were used in decorations and refreshments. Miss Florence Bowers has issued invitations for a shower, to be held at her home in New Burlington, Saturday evening, honoring Miss

### SET WEDDING DATE

Mr. and Mrs. Theodore Muller, Ross township, are announcing plans for the open church wedding of their daughter, Miss Marion, to Jack T. Shepherd, Covington, Ky., on Saturday, Aug. 2.

Dr. H. H. Abels will officiate at the service in the Jamestown, Methodist church at 4 p. m. A reception in the church parlors will follow the service.

Miss Muller is a graduate of Ross high school and Cedarville college. She served in the waves eighteen months and since her discharge has been attending the graduate school of the University of Cincinnati.

Mr. Shepherd is the son of Mr. and Mrs. Harry T. Shepherd, Park Hills, Covington. He attended Harvard university and the University of Cincinnati. He is now an instructor for GI's at Hughes high school, Cincinnati.

### MARRIAGE ANNOUNCED

Mr. and Mrs. George Windon, are announcing the marriage of their daughter, Miss Phyllis, to Thomas Robert Williamson, son of Mr and Mrs. Edward Williamson, Nash road east of Xenia.

The couple was married by Rev. Van Thorn in the Presbyterian church, Maysville, Ky., last Tuesday afternoon. Mrs. Eldon Rhoads, Hillsboro, accompanied the couple to Maysville.

Mrs. Williamson, a graduate of Ross high school, is employed in the business office of the Chew Publishing Co. Mr. Williamson attended Hillsboro high school. A World War II veteran, he is now assiciated with his father in farming.

The presiding officer

will report on the things that most impressed him. Dr. John W. Bickett will report on the adult

The young people will meet at seven-thirty and will discuss the topic,-"the Christians role in National life."

### **WU May Take Herberts Terms** On Control

Acceptance of conditional terms of an offer made last week by Gov. Thomas J. Herbert, which would give the AME church full control and ownership of Wilberforce university, including the present state department and its properties, is expected to be considered by the church trustees at a special meeting at the university Thursday, July 24.

The meeting had been called to proceed with plans for reorganization of the university and to arrange for the church board to serve in an advisory capacity to Dr. Charles Leander Hill, named president of Wilberforce recently by the church board after it had dismissed Dr. Charles H. Wesley.

In view of an announcement made last Wednesday by Bishop R. C. Ransom, chairman of the church board, which indicated the church group was willing to accept the governor's offer, Dr. Hill said this development is expected to be discussed by church

The governor's offer stipulated the state would turn the entire school over to the church group if it, in turn, would agree to "forego any and all state financial aid."

Dr. Hill expressed the opinion the matter would have to receive the final sanction of the general AME conference, which meets every four years. The next conference meeting is scheduled in Los Angeles in May, 1948.

"Since this matter involves the connectionalizing of the university, making it the property of the church and it would have to be supported by the church, it will have to be brought before the general conference," Dr. Hill

A bishops' council, composed of fifteen AME bishops and of which Bishop Ransom is president, is the next highest governing body in the church, Dr. Hill said, "It appears the matter would be presented to this group which would make a temporary disposition until the question of the church taking over the university could be referred to the general conference next May," Dr. Hill said.

The state's holdings at the university have a reported value of about \$2,000,000 and it was understood about 80 per cent of Wilberforce's finances are derived from state aid. In appropriations ma by the state for 1947, Wilberforce received \$78,00 in direct aid ear-marked entirely for teaching services.

### **'Bite the Dust' World Premiere** To Be by YSST

A play which will be given its world premiere by the Yellow Springs summer theatre this Earle Reynolds' new comedy, "Bite the Dust," will be produced on Broadway next fall by Jose Ferrer, it was revealed

### Two \$25,000 **Suits Are Filed In County Court**

Dorvin M. Shank, Dayton, R. R. 10, has filed two \$25,000 damage suits in common pleas court against a Xenian and three Jamestown residents, the result of an accident on Route 35, west of

today by the Summer Theatre

Dr. Reynolds left Yellow Springs for New York Saturday, following a long distance call from Mr. Ferrer, and signed a contract with the eminent actorproducer Monday. The Yellow-Springs playwright will spend this week at Mr. Ferrer's Ossening, N. Y., hideway, rewriting a part of the third act with him. The Ferrer company will put the show in rehearsal Labor day to open on Broadway sometime in

The world premiere of "Bite the Dust" will be given in the Yellow Springs opera house at 8:45 p. m. Wednesday, July 30, by the Yellow Springs summer theatre under the direction of Arthur Litgow. Four more performances will be given, nightly through Sunday, Aug. 3, with the same curtain time. Jose Ferrer has announced that he will fly out to attend two of the five per-

"Bite the Dust" is Reynolds' tenth play and his third to be premiered on the stage of the Yellow Springs opera house.

("No Pace for a Lady" was a comedy feature of the summer theatre's 1943 season, while "Solitude," a psychological mystery, was premiered last February by the Antioch players.

The new comedy, which Dr. Reynolds says is "far and away my best to date," involves a pair of slightly illegal skyscrapers, clashing in a modern metropolitan battle of redskin vs. pale-

In his early thirties Earle Reynolds is already a triplethreat man. As an actor he has had considerable experience on the showboat which plied the Mississsippi for many years between Memphis and Vicksburg, with little theaters in the south and in Madison, Wis., and with the Yellow Springs summer theater and the Antioch players.

He holds degrees of A. B. and A. M. from the University of Chicago and Phd. D. from the University of Wisconsin. A scientist as well as an actor and playwright, Dr. Reynolds is at physical growth with the Samuel S. Fels research institute for human development and is associate professor of anthropology at Antioch College

Although "Bite the Dust" will be the first new play it has given that is already slated for Broadway production, world premieres are nothing new to the Yellow Springs straw hat. Now in its twelfth season, the pioneer summer theater of Ohio has had a standing policy of producing one new play a year, and the 1947 season is to see two premieres. Arthur Lithgow's new drama, "The Cloak," opening Aug. 20, is the other origional.

Hollywood elephant, who trained dog groups, the Hippodrone horse acts consisting of high consisting of high school ensembles high jumping horses and chariot races.

### **Suit Asks for** \$50,000 Damages For Traffic Death

A Xenia woman has been named defendant in a \$50,000 damage suit filed in common pleas. court, stemming from an auto death last year.

Clarence Atkinson, Dayton, a administrator of the estate of Clarence Robert Kipp, Dayton, hurt fatally in the accident brought the action which charges Mrs. George C. Gibson, 325 Orient avenue, with reckless operation. Kipp, a war veteran, was stand-

ing beside his stalled car on the Springfield-Xenia pike, about 4 and a half miles north of this city July 1, 1946, when Mrs. Gibson's car allegedly struck the rear of the disabled vehicle, spinning it around and pinning Kipp underneath.

Mrs. Gibson said at the time that an auto parked across the highway and headed in an opposite direction had confused her.

The suit filed by Hershey and Hershey, Dayton attorneys, is in behalf of Erma Kipp, widow of the victim, and Saxira Lee and Robert William, their children.
