

CHANGING TIMES AND CHANGING  
MINDS: MUSIC DURING THE  
REFORMATION

By Carolyn Ticker

*“The Protestant Reformation had a profound impact on the musical world; it changed the way music was used in the church, how music was used in the reformers’ respective countries, and how it influenced later composers such as Bach.”*

*Music in the Reformers' Churches*

*Music in the Reformers' Countries*

*Luther's influence on Bach*
