one of the most exciting things that we're going to have happen around our college is to hear about moms and dads that we've been praying for who come to know the Lord. Thank you for praying for me. When I was out in California, number of your parents came to the services.

00:00:15:05 - 00:00:29:07

Unknown

Some drove quite a distance to be there, and I'm greatly appreciative of that. And then yesterday I was at the Washington Heights Baptist Church in Dayton and thank the Lord for what he's doing in that church under Dr. Gillette's ministry.

00:00:29:25 - 00:00:48:25

Unknown

And yesterday morning, I was so encouraged. Not only were there some public decisions, but there was. I met a couple who came to the service as a result of a couple of our students being out in the mall and talking to this couple and inviting them to come to church with them on Sunday.

00:00:49:03 - 00:01:08:26

Unknown

And so they were there as a result of our students and their witness, and we praise the Lord for that. I also want to congratulate the men and the women for a wonderful weekend and successful basketball. But I think that the one who deserves the most applause would be that there's there's nothing like it in small college

00:01:08:26 - 00:01:44:18

Unknown

basketball in the United States, and that's the CityVille College Pep Band. Let's let them know how much we appreciate. I want to reinforce the announcement that you saw as you came in. We are making it possible for you as students to go through the new engineering nursing building, and our people have worked diligently at this because it's

00:01:44:18 - 00:02:06:04

Unknown

such an exciting thing. It's one thing to see what's happening with from the outside, but to actually get in that building. We thought you'd like to be able to do that at this particular point of construction. And so we will be having the tours on Wednesday and Thursday, November 20 and 21.

00:02:06:14 - 00:02:34:14

Unknown

Faculty and staff are certainly encouraged to go through at the same time, if you wish. And the Alphabet A through E! The tour is on Wednesday at four f through K is on Wednesday at 4:45. Those whose name last name

would begin an L through Q, it's on Thursday at four and R through Z on Thursday at

00:02:34:14 - 00:02:56:03

Unknown

4:45, you're encouraged to participate. And if you would meet in front of the science building at the scheduled time, the tour will take approximately 20 minutes. There will be people positioned throughout the building so that as you move through, they will stop and explain to you what's going to take place on that particular four in that particular

00:02:56:23 - 00:03:15:07

Unknown

part of the building. I also want to encourage you that tomorrow night is an open forum that the student government sets up with me and you and the other administrators where you can just come with your questions. I look forward to this every year.

00:03:15:07 - 00:03:36:07

Unknown

We had a great time doing it last year. That's at 8:00 tomorrow evening in the student center. I'm especially delighted to let you know that all of this equipment behind me has nothing to do with my sermon today because if I were to use that, you would be in deep trouble.

00:03:36:22 - 00:03:52:13

Unknown

But we have for the next three days Dr. Dean Ortner, who's with the Moody Institute of Science. And he's going to be giving us the demonstrations, and he's also going to be speaking in the fellowship on Wednesday night.

00:03:52:13 - 00:04:03:24

Unknown

And I think it's just going to be a phenomenal week of sermons from science. And I'd like for Dr. Ortner to stand, if you would, so that there he is right over here. We're certainly glad to have you with us.

00:04:09:06 - 00:04:25:28

Unknown

To give you some sense of the magnitude of the presentations you will be seeing, this is just kind of a taste of it. It will take him six hours beginning after chapel to put everything in place for the presentation tomorrow.

00:04:26:05 - 00:04:53:09

Unknown

And so I know it's going to be a very exciting time. The offices of student services and academic programs would like to recognize at this time students who achieved a 4.0 during the 1991 spring quarter. And what we enjoy doing is having these students come to the platform and receive their 4.0 cups, if you would hold your

00:04:53:09 - 00:05:32:24

Unknown

applause. Listen carefully for your name to be read and if you would come quickly to the platform. Well, that's great, all those people up here, I see people coming quarter after quarter, they must get lots of mugs in their rooms.

00:07:18:18 - 00:07:41:15

Unknown

They probably don't even drink coffee, but that's OK. Let me give you one quick another illustration, as Dr. Dickson has done, of the impact of Cedar Vale College across the country. Dr. Clevenger and myself and our wives were in Myrtle Beach last week for a conference, and we were suffering, I know, but we were on one of

00:07:41:15 - 00:08:03:04

Unknown

our break times. We were shopping and our wives met two girls that are Christian girls from Word of Life and Temple University, and they know some of our students. At the conference, Dr. Clevenger and I met a young man who's on the staff at Columbia Bible College, and he's marrying a graduate of Centerville, who graduated last year

00:08:03:22 - 00:08:14:18

Unknown

. And then more importantly than that, we were in a store and a lady said to us, You know, all of you sure are different. And immediately you have that conflict. Do I say something? Do I not say something?

00:08:14:28 - 00:08:32:10

Unknown

And the Lord got the glory because I said to him or to this lady, it's because of what the Lord has done in our lives and her face lit up. And she said, You know, I thought it was because of that and what a great opportunity for testimony as we walk from place to place.

00:08:32:18 - 00:08:47:02

Unknown

You don't even have to say anything, but God will use your life to demonstrate his power. All hail the power of Jesus name. I'd like for us to sing a couple of hymns this morning. A faculty member came and asked me, Do we ever sing hymns in chapel anymore?

00:08:47:12 - 00:08:58:00

Unknown

And I said Sometimes, but we're not going to use the hymnal. We're going to use the slide projector because then you can all look right up and sing. Let's stand together as we sing all hail the power of Jesus.

00:09:17:29 - 00:09:57:03

Unknown

You, Lord, for the trials that come my way in that way, I can't recall which day as I let you live. And thank you both. Hurt for the patients, those trials spray in the process of growing. I can learn to.

00:10:07:12 - 00:11:00:13

Unknown

To put my. True and not the to take control of. Because when most royals come, my human nature shows the thing to do. I'm called soft prompting kind. So. I thank you. Word for the victory that roving brings in surrender of everything.

00:11:02:00 - 00:12:18:27

Unknown

Life is so worth. And I think. But when everything's. And place out in front, I can see your face. And it's. You. Low. Thank you, Dr. Anderson. Seizing. A world of opportunity. We've looked at. Some of our heroes of the Bible.

00:12:20:07 - 00:13:05:10

Unknown

And how they have seized their world of opportunity. At Abraham. Solomon. And today, Joseph. If you turn in the Book of Beginnings and the 39th chapter. The 30 night of Genesis. And begin to read with verse one. And Joseph was brought down to Egypt.

00:13:07:00 - 00:13:23:29

Unknown

And Potter, for an officer of Pharaoh, captain of the guard, an Egyptian bought him of the hands of the Ishmael ites, which had brought him down thither and the Lord was with Joseph and he was a prosperous man and he was in the house of his master of the Egyptian.

00:13:25:13 - 00:13:38:29

Unknown

And his master saw that the Lord was with him and that the Lord made all that he did to prosper in his hand. Joseph found Grace in his sight, and he served him and he made him overseer over his house and all that he had he put into his hand.

00:13:40:02 - 00:13:53:00

Unknown

And it came to pass from the time that he'd made him overseer in his house and overall that he had that the Lord bless the Egyptians house for Joseph's sake. And the blessing of the Lord was upon all that he had in his house and in the field.

00:13:53:28 - 00:14:08:01

Unknown

He left all that he had in Joseph's hand and he knew not all. He had saved the bread, which he did eat. Joseph was a good person and well favored. And it came to pass after these things that his Masters wife cast her eyes upon Joseph.

00:14:09:02 - 00:14:26:15

Unknown

And she said, lie with me. But he refused and said down to his master's wife, Behold, my master, what not what is with me in the house, and he have committed all that he has to my hand. There's nothing greater in this house than I neither hath he kept back anything from me, but the because thou art

00:14:26:15 - 00:14:45:10

Unknown

his wife. How then can I do this great wickedness and sin against God? It came to pass as she spoke to Joseph day by day, the day Canada heard a lie by her or to be with her, and it came to pass about this time that Joseph went into the house to do his business, and there was

00:14:45:10 - 00:15:05:06

Unknown

none of the men of the house there within. And she caught him by his garment, saying, Lie with me. And he left his garment in her hand and fled. And got him out. In the last ten days. We have all been caught up.

00:15:06:14 - 00:15:32:05

Unknown

With Magic Johnson. It was approximately a week ago Friday when I was walking across campus and preparing to leave for my trip. That I heard a couple of students talking about someone. With AIDS. HIV virus. And it was an athlete, but I didn't catch the name, and then another student came running up to me and said, Did

00:15:32:05 - 00:15:48:10

Unknown

you hear that there's going to be a press conference and Magic Johnson is going to go before the nation? I think it was on Thursday night. And of course, I watch to. And I'll tell you, Magic Johnson spin on one of my my heroes.

00:15:49:23 - 00:16:01:22

Unknown

In fact, I recall a number of years ago, maybe just about 18 months ago, at the beginning of the New Year, when USA Today picked out some of the

very special people in the United States to focus upon, it was one of them was Magic Johnson.

00:16:02:01 - 00:16:20:20

Unknown

And the reason was because this man had such a positive spirit. And I like people with a positive spirit. Yeah, he talked about the influence his father had upon him. And how his father used to work all day long and come home at night very, very tired and weary, and yet somehow he always had time to play

00:16:20:20 - 00:16:33:25

Unknown

with the kids and he was able to blot it all out and come in with a great big smile on his face as he was walking into the home. And so that just kind of rubbed off on magic and magic just seemed to walk around with that smile and was always encouraging.

00:16:33:25 - 00:16:44:16

Unknown

People and the people in the NBA loved him and the fans loved him, and everyone loved Magic Johnson. So when he went before the television cameras to tell that he had HIV virus, all of us were very moved.

00:16:45:19 - 00:17:03:27

Unknown

There's no doubt that we were very impressed that rather than hide this, like so many other movie stars and others who've been prominent and then just sooner or later die and with some kind of supposed pneumonia or whatever magic set, I have h the virus.

00:17:04:18 - 00:17:19:05

Unknown

And of course, you know, and I know that the statistics are that he's going to die with AIDS. The issue right now, and barring some kind of intervention and some kind of special new drug that they're going to find, the issue is not if he's going to die with AIDS.

00:17:19:05 - 00:17:45:00

Unknown

The question is when? But to my great chagrin. And alarm. He has stood there, he has been interviewed. And in the wake of a Wilt Chamberlain who comes out with the new book and boasts that he said 20,000 women averaging 1.2 women every day of his life.

00:17:47:09 - 00:18:09:03

Unknown

Magic Johnson says I didn't live like that, I probably only had about 2000. Women, and he says, I am going to be an advocate for safe sex. Ladies and gentlemen, what we need in the United States, we do not need more advocates for safe sex.

00:18:09:08 - 00:18:32:15

Unknown

We need advocates for sex. According to the guidelines of this book, sanctified sex sex that is only with married people, a husband and wife, and that you remain a virgin until you are married and then after you are married and you've taken those vows, you are true to one another until death, do you part?

00:18:32:19 - 00:18:50:23

Unknown

That's what the word of God teaches, and I would like to suggest that Magic Johnson had an opportunity, and he could have seized his world of opportunity for tremendous influence on this nation and around the world, and he utterly failed.

00:18:53:00 - 00:19:12:11

Unknown

A twelve year old girl in a trailer park in California last week went up to one of the church members and said, Well, at least I know now that it's OK to have sex just as long as it's safe sex, because Magic said so.

00:19:16:13 - 00:19:37:01

Unknown

What a contrast. Another young man. Another handsome man. A man who evidently the way he carried himself. You would think he could have been one of the superstars of his day in that Egyptian culture, even though he was a Jew.

00:19:39:04 - 00:20:00:15

Unknown

And this captive Jew. They're in this pagan culture. Carries himself in such a way, he has the hand of God upon him. The Egyptian leaders recognize that they give them all kinds of responsibility, and everyone talks about Joseph and this unusual man.

00:20:01:26 - 00:20:24:26

Unknown

And now he has. His opportunity to seize. And he seized it. Well. He says that for purity. And very simply, young men and young women, I know and you know that that's one of the greatest. Opportunities you're going to have.

00:20:28:03 - 00:20:41:16

Unknown

Mr either when those moments of temptation come to seize those moments of a world of opportunity to remain pure and to remain a virgin and to be a testimony for the God who created you and who saved you.

00:20:41:21 - 00:21:04:17

Unknown

Or else to fail in that temptation. And for Satan to have used that opportunity. To destroy you morally. To run your testimony. And for you to have to go through this. Bearing that burden, the rest of your life cannot be forgiven.

00:21:04:18 - 00:21:27:17

Unknown

Absolutely. That's not the issue. Certainly, we can experience the forgiveness of God for sexual sin. But you know, and I know that once you break that wall of purity, it's broken. And here was a chance for Joseph to decide, would he be pure or would he be impure?

00:21:29:10 - 00:21:51:14

Unknown

two very simple points, I want you to notice that the temptation was great. And sexual temptation always is, but it was probably even greater for Joseph. Not only was this a handsome man, according to the word of God, but there is no doubt in my mind that this was one unusually beautiful woman.

00:21:52:28 - 00:22:10:16

Unknown

You can almost visualize the beautiful skin, the texture of the skin, the color of the skin, the beautiful hair, the facial features, the physique. I mean, a man like this who could have any woman that he wanted. Chose the most beautiful woman that he could find.

00:22:12:24 - 00:22:29:15

Unknown

And all of a sudden, there is this unexpected temptation. Joseph is going through his normal activities of the day. He's worked there, perhaps for a good period of time. He's not been faced with such a temptation. All is going well.

00:22:29:23 - 00:22:57:24

Unknown

Dave Joseph is rejoicing. He's on top of things. You know, that's the way Satan works, that's the way temptation comes. I've been hearing the stories of our students and our graduates for all of these years. And I want you to know young men and young women, those temptations come in the most unexpected way.

00:22:59:11 - 00:23:15:22

Unknown

I've had the young woman to write me or the young woman to tell me or the young woman someone else that comes back to me, that they were out there working at Christmas on a job. Or working in the summertime on a job.

00:23:17:16 - 00:23:42:15

Unknown

But for whatever reason, a boss. Started the flirtation. Started to make the approach. It was unexpected, and the next thing, you know, yes, a senior ville student, a senior will graduate, a someone who knew the Lord, often growing in the Lord in so many ways yielded to that temptation.

00:23:43:02 - 00:24:19:00

Unknown

Since. Was unexpected, it always is. It was unrelenting. Day after day after day, the tech says she just kept coming. She kept offering herself.

And the resistance. Can wear down after a while. I've known people, I've known men who've had women to come to them over and over again, and it got so bad on the job that

00:24:19:00 - 00:24:37:21

Unknown

they actually quit their job rather than face it any more. Praise God. Better not to have a job. And not to have the income, the not to have your purity. I've known men who've taken that kind of stand.

00:24:38:03 - 00:24:55:07

Unknown

I've known women who've taken that kind of stand for God. Joseph Gordon quit his job. Joseph is a slave. He doesn't have any choice as to where he goes to work every day. This is his assignment. This is his responsibility.

00:24:55:12 - 00:25:13:24

Unknown

And so he gets up every morning knowing what he's going to have to face in the way of temptation every time he goes in that house after it once started. one devil sets out to get you and when the devil sets out to get me.

00:25:17:06 - 00:25:37:18

Unknown

That temptation is probably going to just come back again and again and again. But I want to encourage you is. There are times when you don't have any control over that. There are other times when you know good and well, you can have control over that, but you allow yourself to be in a position where that happens

00:25:37:18 - 00:25:55:12

Unknown

again and again and again. And there isn't anyone. There's not a one here, not a faculty member, not an administrator, not a staff member, not a student who can stand up against that day after day after day. If you know you're putting yourself into that kind of a situation and have an opportunity to get out.

00:26:00:05 - 00:26:20:12

Unknown

The temptation was great because it was unexpected because it was unrelenting and because it would be undetected. Who would know? She's the one who's offering herself. She sets the trap. Who's going to know about it? There aren't any men in the House on this particular day.

00:26:21:28 - 00:26:43:06

Unknown

And after all, Joseph could have reason she's not going to boast with the fact that she had an affair with the slave. And there always is that in every everyone that I've ever met, whether it's a student or a preacher who's fallen morally, that somehow I can do this and cover it up and no one will find

00:26:43:06 - 00:27:10:13

Unknown

out about it. Well, obviously, we know that God knows all about it, that's that's all that should matter. But the experience is that sooner or later, our sins will find this out. It may only be days, it may be weeks, it may be months, it may be unfortunately, like Christianity today told us not many weeks ago that

00:27:10:13 - 00:27:32:26

Unknown

Frank Till Poor, who'd written unleashing the church had so much influence on church growth, had been having an affair in his church. What was it for eight years? Before it came out. It may be eight years before it comes out, but sooner or later it is going to be detected and we're going to be revealed for what

00:27:32:26 - 00:28:03:02

Unknown

we are. The temptation was great. For Joseph, for Magic Johnson, for you and for me. But no, to the triumph was greater. I don't know, it just seems in this day and in this time, there aren't that many victorious ones.

00:28:05:05 - 00:28:27:08

Unknown

But Joseph was not a model for us. How did he gain the victory had he gained the triumph? Well, number one, he was decisive. No equivocation, equivocation. You can't tease the temptress. Somehow, you have to decide, even before you face it, I'm not going to dink around at this, I'm not going to mess with this.

00:28:27:09 - 00:28:42:19

Unknown

It is one by one little word. You know, I want to give you this word to put in your computer. And if you will get it in there in major capital letters, this will guarantee triumph in know. No.

00:28:46:18 - 00:29:06:06

Unknown

No. You say no to him. You say no to her. You say no to the situations that's going to put you in that environment where it can happen. You say no to everything that's going to come close to leading you to impurity and to sexual sin.

00:29:08:25 - 00:29:27:22

Unknown

He was decisive. Number two, I think this is very interesting for you and for me, he responded to the trust placed in him by his master. He said, How can I do this? This man trusts me. Men and women.

00:29:29:18 - 00:30:05:10

Unknown

You are here today, and there are so many people have put their trust in you. Your parents trust you. Right. Are you going to violate the trust of your parents? Your pastor's trust you. Are you going to violate the trust of a pastor?

00:30:09:03 - 00:30:29:13

Unknown

After you get married, and for those of us who already married our wives, trust us men. Does that mean something to us? Women, as husbands, we trust you. When you get married. You're going to have the trust of a life and the trust of a husband.

00:30:33:08 - 00:30:56:01

Unknown

And then you have children. I have a 29 year old son who trust me. Am I going to violate the trust of that son? Faculty and staff and administrators and married students, you have sons and daughters, are you going to violate the trust of those children?

00:30:56:26 - 00:31:18:10

Unknown

Many of us have grandchildren. Are we going to let them grow up knowing that we violated their trust or never even giving them a chance to trust us? And as young people, you know that one of the principles that we operate under a suitable college is the principle of trust, we trust you.

00:31:20:22 - 00:31:39:09

Unknown

We'll let you go off and date on your own. You know, we say that. You know, you're going to be gone for an hour or two hours, four hours. You know, we don't sit around and are in our offices wondering what's going on, why couldn't we trust you?

00:31:46:28 - 00:32:09:14

Unknown

Joseph. Had victory and triumph because he refused to violate trust. Number three, he respected part of his wife, though she had no respect for herself. That interesting. I beg and warm and didn't respect her own person, didn't respect her virginity.

00:32:10:05 - 00:32:37:20

Unknown

But Joseph did. Young man, if you have any respect for that young woman at all, you will not violate her. And young lady, if you have any respect for that young man at all. You will not lead him on, you will not allow yourself to be in such a such a situation that you could commit morality.

00:32:43:25 - 00:33:11:17

Unknown

I think that triumph and sexual sin. Really boils down to how much respect do you have for the other person? And then number four, he had a relationship with God. This was the chief anchor that held. This produced a shock at sin.

00:33:12:19 - 00:33:40:20

Unknown

A fear of sin. A hatred for sin. He had a relationship with his God. And you'd best be building up your spiritual. Side of life. In your walk and your reality with your God, if you're going to make it in the time of sexual testing.

00:33:41:01 - 00:34:00:09

Unknown

Well, I want to tell you it is not easy for any of us. In all these years. one of the things that I kind of is amaze me, but maybe it has it. I obviously would not know all of our students who've been involved in sexual sin.

00:34:02:29 - 00:34:22:03

Unknown

All of our graduates. But I have known of a number. I am honored that some of them come to me. They come out to the house. And I've had them come, and Mrs. Dixon and I have been there in the living room when they've come and they're weeping.

00:34:22:24 - 00:34:44:11

Unknown

Listen, these are not rebellious kids. These are kids on the gospel team. These are kids out on Christian service. I mean, we're talking about kids. I've known some of them, I've known their families and they have such a wonderful attitude.

00:34:44:17 - 00:35:04:10

Unknown

And it's not that they're here and they don't have a heart for the Lord, young men and young women, but they allow themselves to get in this situation. And boom, it happens. And it can happen to every last one of you, and I will show you it can happen to your president.

00:35:04:16 - 00:35:21:17
