October. 1906.

5 Oct. Friday at the Arcade hotel Springfield Ohio. This afternoon after three Clara & Clayton drove out with Father and me for Springfield – We had supper at the famous Adams's – After that they escorted us to the Arcade hotel – they stopped with us awhile when they bid us good by and drove out for home. To day when we left home – we left the dear faithful Sister Williams and Paul and Charlie Baskin (both who are attending the Cedarville College – and O.N. Potter faithful and true from Des Moines Iowa – We are starting out for St. Louis in the morning and later for Kirksville Mo – to visit the Osteopath Institute. We have comfortable quarters here and more to be thankful for than we can number.

St Louis. Oct 1906.

6" Oct. Saturday. Father and I awakened at the Arcade hotel – Had breakfast and left at 8.10 on the "Big 4" for St Louis we reached Indianapolis at noon and changed cars for St Louis – there was a fright [**sic**] wreck on the road that made us over two hours late – Our car rolled in to St Louis at 10 of 8: Harlan had waited nearly two hours for us but was there when we came. After taking us half across the city we finally landed at #5017 Fairmon Ave – and were met by Isabel who a nice supper and a nice reception for us. Trotsmans office – Next we took the car and went up into the city a sight seeing – We took lunch at Bans on the 4<sup>th</sup> story – Everything lovely etc – We then went to some of the other stores – when out I purchased a pr of sissors – "Keen Cutters" – A pocket testament for Mr Mc. It was agreed I should go – she called for me with her nice horse (Richmond) & buggy – I met Mrs Rev Campbel [?] late of Cedarville O – had a nice time with her during the social hour. A nice program rendered – light refreshments served – Harlan went to Alton this afternoon will not be back until some time to night – We are lonesome without him. Mr Mc came back here this afternoon. Isabel kept Myra's baby for her- She had callers. This evening after dinner Isabel and Mr Mc and I took a walk on the Kings High way. This has been a very delightful day. This evening a letter from Clara and Homer. Homer is planning to be in this city the last of this month or first of next – but I am afraid we will not be here to see him.

13" Oct. Saturday. Quite a nice day. Isabel and I over on the Kings hiway We called to see Mrs W.E. Ward – When we came home we brought our groceries with us. I had the basket – but as I came up the steps I came near falling I went around on a whirl and [?] all of my produce on the street – again saved from what might have been a serious accident This p.m. Isabel called at Myras and at Mrs Adel Bartleys. Mrs. Bartley Jr called later on and chatted with Isabel & me awhile telling us of her summer spent in N.Y – she just returned yesterday. Harlan came in from his trip to Alton last night at ten oclock. He and Mr Mc away all day They returned at seven. Mrs Googe [?] and Seymour called this evening. Harlan and Isabel walked out this evening It has just been a week since we arrived here – and what a pleasant week it has been – I have got acquainted with several of Isabels nice friends.

14" Oct. Sabbath Quite a nice day but like "fall." This morning Mr Mc and Harlan and I at Grand Av church Rev Hughys text "Awake O North wind; and come thou South; blow upon my garden, that the spices there of may flow out." The Spirit comes from God through Jesus Christ. We had a fine sermon – Isabel at home. Rose had a nice dinner when we returned. This afternoon we called on a sick lady on this flat [?] Mrs Lindsey who proved to be a Monmouth

17" Oct. Wed. A little damp this morning – Harlan hurried to the Union depot to meet Mr Gladstone – but he rec'd a dispatch saying he would be here in the morning. Mr Mc waited here awhile and went to Harlan's office alone – I went to Kings highway and attended to a few errands and then went to see Dr C L Trotman – and spent quite a while listening to theology & etc he certainly is a scholar. I hope Homer will get to see him when he comes to this city. This afternoon a telephone from Myra announcing that Mr Bush was to send his carriage around for her to take a ride She invited Isabel and me to go with her – but we were prevented by a shower Mrs B – thought it best for Myra & baby to wait until a pleasanter day. We stopped a little while with Myra – A letter from Homer – and Clara and Fred. Fred's letter urges a sale and for Clayton to hunt a congenial business. This has been a busy day one way and another way it has not.

18" Oct. Thursday. Quite a lovely day. Mr Mc and I went to Harlan's office this A.m. We met Gladstone there – At noon we all took (Mr Gladstone and Harlan and father and I) lunched at the Mid day lunch rooms – Later on Harlan took us over the city from one point and another on car – we certainly had miles of a ride. This evening Harlan had Mr Gladstone come home with him to dinner – and at nine o'clock went with him to the Union depot and remained until eleven o'clock when his car left for Kansas City – He is holding forth in [?] – Isabel had the house all illuminated and served a lovely dinner. We awakened early – I packed my trunk to be ready for dray man – After breakfast and worship we told Isabel good by and Harlan went with us to the great Union depot and remained with us until the Wabash train rolled out at nine O'clock to Kirksville We were sorry to leave Isabel and Harlan for our two weeks with them has unfitted me for leaving – I would have been [Transcriber note: at top of page "Kirksville. 1906 Dockery Hotel"] better satisfied to have come away the next day and I never would have known what I was leaving. We were especially favored for we started out with Harlan and finished our journey with Fred. He came on the train at St Charles and has been with us all day – Isabel sent us a nice lunch which we all enjoyed – We reached Kirksville at four – Fred conducted us to the Dockery Hotel – and we all had supper together he remained with us until near eight when he left for Ottumwa – Now we are left by our Selves.

23 Oct. Tues We awakened at the Dockery house this morning – A nice breakfast Served to quite a concourse of people At nine O'clock I went with Mr Mc and made my first visit and rec d my first treatment from Dr Langhress [?] – I fully realize that I am at best not any thing but an old chronic – and if they fail to help me I will feel that everything has been done that can be done and I will go back home and wait my time As we came back I got weighed – I weighed 120 lbs 8lbs less than I weigh the last of August – This afternoon I was busy in my room while father walked out to the edge of town to a fine stock sale – after he started awhile the rain began to fall – but they had a very large tent to accommodate the folks father returned all right in due time This evening I was sitting in our room writing to Fred – father with his newspaper –when their was a knock at our door and think of our Surprise when he stepped in he had been down

the line to meet a party and being near came on to speak to us – I realize not many would be that thoughtful He again left at eight O'clock to go to St Pauls.
