ABOUT SEATTLE PACIFIC

Founded in 1891, Seattle Pacific is a Christian university committed to engaging the culture and changing the world by graduating people of competence and character, becoming people of wisdom, and modeling a grace-filled community.

SPU students gain a world-class education in the heart of a world-class city. They enjoy access to employers, industries and institutions that are reshaping how people work, play, entertain, communicate, socialize, move, shop and care for one another. Students come from around the world to grow together and serve in a diverse community of thoughtful scholarship and outward-focused, living Christian faith.

The Seattle Pacific athletics department works tirelessly toward cultivating student-athletes of high character who are empowered to pursue competitive excellence in athletics and academics within the school's Christian environment.

Along with nine national championships in athletics, SPU has earned the NCAA Presidents' Award for Academic Excellence all 11 years it has been presented – one of just 10 Division II schools to do so.
