

ONE THOUSAND DAYS TRANSFORMED

The Campaign for CEDARVILLE

If you want to know Cedarville University’s vision for truly Christian higher education and how we intentionally invest in students’ lives while they are on our campus, you can find it succinctly stated in the concept of 1,000 days.

From the day undergraduate students arrive at Cedarville University until they walk across the stage at graduation — not counting summer and winter breaks — they will be on our campus for approximately 1,000 days. In every one of those days, we are intentional about transforming lives for godly service and vocational distinction.

When students complete their approximately 1,000 days on our campus, they are equipped to go into the world and make a difference for Jesus Christ in their careers, their communities, and their churches.

A BOLD STAND

Cedarville University stands boldly for the Word of God and the Testimony of Jesus Christ. We do not waver from our belief in God’s inerrant, infallible, authoritative, and sufficient Word.

We believe God has blessed this bold stand and has extended His generous grace to the University, providing a season of transformational growth in student enrollment, in financial strength, and, most importantly, in a vibrant spiritual climate on our campus.

This growth has created the need for expansion as students desire biblically faithful academic excellence. We must ensure that the excellence of our faculty and programs is matched by the quality and appearance of our facilities and classrooms. We must increase scholarships, expand academic offerings, and advance opportunities for discipleship and global outreach.

A BOLD VISION

With growing enrollment, a firm financial footing, and a clear mission, this is the right time to embark on a campaign that will provide the facilities, scholarships, and resources necessary to make Cedarville University’s life-transforming education available to the next generation of undergraduate and graduate students.
