January 1884

[Martha writes the words "New Years- Day. 1884." at the top of the page.]

Today the New Year [has?] spread before us- What [is or its?] history ; What shall its lessons be?- "Will Gladness or grief walk by our side? In darkness or light Shall we abide? Shall we [?] still in [?] bright dreams, Or mourn the [?] of blighted schemes And with peaceful smile or bitter tear, Shall we watch the close of another year? Shall we cling to life with loving grasp, Or our own hands [be?] cold in death's ice [grasp?]" This had certainly been a pleasant New Years day- the snow fell beautifully and [grandly?] all day - Scarcely any intermission. [Mr. Mc?] Fannie Fred Harlan Homer Clara Clayton and Jason all at home. [Ted?] [?] Cooper and [Mr. Scalt?] and Lizzie [?] servants all at their respective work. Cousin John Mc Millan and son Edward of [Morning Son?] and our good friend Mr Brigham Harbison here for dinner and spent the day. This eve we are all at home around the [lamp?].

2 Jan. Wed. Quite a rough day indeed- [blowing? -very cold- and snowing some still In spite of the cold [Mr ?] [?] [Linston?] resumed his school to day. Fannie Fred Harlan and Homer [here?]- Clara at home with tooth ache. On yesterday Mr John [?] of Xenia was buried. He was born in [Chester?] District South Carolina. I am sorry we could not be at church to day. I always feel that there is something solemn in the first Sabbath and the last Sabbath of the year- - Something sad in the beginning as well as in the ending. To day as we stand [upon?] this the 1st Sabbath of the New Year while we feel sad let us also be glad that we have in [trust?] "Another year for [Jesus?]; Abundant [grief?] to [yield?]; And gather to his [?] [?] [?] from every [field?]. In these verses we have a graphic description of what Satan is and what he does. We have here a graphic description of the tempter and of the tempted. Satan sits at the door of the house—and conceals from the passersby the wretchedness and misery and woe into

which the open door leads he only gives us a view of the gilded saloon of the sparkling glass The doors of the tempters house is the opening through which persons enters enter into Satins domain. What are these doors! Evil lusts and passions neglect of duty—of social prayer—of the ordinances of religion—of family worship—the street corner where the idle stand and spend their hours Every saloon and [theater?] and ballroom and race track is a pass way to Satins kingdom. It is extended to Noah and heads of families. Come for your own sake, and for the sake of your children. Parents have a wonderful influence upon their children wheather they know it or not, and this influence will tell in the coming years—and in eternity. This evening the assigned lessons were heard. 7 Nov. Thurs. Gloomy and cold. Fast-day in our church—previous to our Communion. H.G. Brown alone at the house. Jack our Shepherd bringing in hay. Sarah at her post. Fannie at home with Clayton and Jason—she has headache—Mr Mc Fred Harlan Homer and Clara and I at church = Sermon by Rev Crawford late of [?] Ill—now pastor of the [?] congregation His Text "He that saith he abideth in him ought himself to walk as even he walked." If we walk in Christ we should live to his glory. Surely it is very dishonoring to the Loveing Saviour not to honor him and to live to his glory. We are also to walk in holiness—O how holy our Saviour was in his life—we are also to walk in obedience to his Commands. We are also to walk in activity. He preached and taught by the way & by the Sea Side and where ever he went. Christ did not only attend to the great things but to the little things also. In self denial is another way in which we walk with Christ. To walk with Christ we must be tender and forgiving. To do all of this we need a change of heart—our nature must be changed—and we must have strong resolutions to come out and serve Him & walk with him but others do as they will. We must also have Communion with him = love him and even enjoy his

company. It is a noble thing to walk in Christ—and it is pleasing to our father which is in heaven. We had dinner prepared for Mr Crawford and expected to have him home with us—but he will not come till after the Communion. At three o'clock this P.M. Jack hauling in hay—which was left from the press. Sarah and the [?] of us busy. This afternoon Mr Mc Fannie and Fred and Clara and I at church. Rev. Crawford preached text "Who is he that condemneth? It is Christ that died yea, rather that is risen again, who is now at the right hand of God who also maketh intercession for us." A few facts gathered in detail from the text. What is it that makes Paul so exultant: In the death scene on Calvary—he saw the sins in which he was wrapped taken away forever and a flame of love kindled in his heart for his Saviour God. He saw all of his sins cast away in the depth of the Saviours blood. He saw in the horrible death scene of Calvary deliverance from the grave. The third cause of Christ exaltation was the exaltation of Christ to Gods right hand—and the last of his intercession—One specialty of Christs intercession he takes the worst cases and pleads with his father for their acquittal. In Conclusion—What think you of Christ? Can you say he is the chief among ten thousand—yea altogether lovely. Can you give him the chief place in your heart? If there is darkness in your heart Christ can remove it and fill it with the sunshine of his love—If there is [trouble?] He can take it away and fill your heart with joy. Therefore be glad and rejoice in your Saviour. After preaching we were down in town a little while. Fannie at Mary Caldwells. Mr Crawford stopping with the sister. After we came home Fred went to C—with the carpenter H.G. Brown by the way of accommodation. He staid at Aunt Janes till he was ready to come out. The Democrats still claim the victory. afternoon we had our Communion services. One of our good brother Mr. James S. McCollum when seated at the table was taken suddenly ill—he and his wife and sisters arose from the table and he died about the time they reached the vestibule—To the Christian sudden death is sudden glory" He was certainly a lovely Christian, meek and lowly, walked very closely in the footsteps of the master—He was a very humble child not much known in this world but he was known in heaven—O, "I would rather be the least of them—whom Jesus calls his own Than wear a royal diadem or sit upon a throne." If our heart is right with God—no matter what the storm and tempest is without within we are at rest—and peace. We have peace with God in His character and in the perfection of His attributes. No matter what the straits in which we are placed we have an all powerful Saviour to look to and depend upon for deliverance and guidance. We have rest also in the power and love of God. As a father pitieth his children so our heavenly father pitieth his loving and humble children—Christ is the rest of the soul in the hour of perplexity and adversity. The holy spirit is the rest of the soul. The children of God find rest in the religion of Jesus. The soul finds rest in the graces of the spirit and in the doctrines of religion.
