COOPERATION BRINGS GLORY

In our modern world we are being drawn together toward common goals. One of the chief objectives of our schools, organizations, communities, and nation is to develop an American people who will know the meaning of cooperation. However, long before modern minds realized the importance of unity, the prophet Amos asks us this pointed question which reveals the impossibility of accomplishing a purpose without agreement.

"Can two walk together unless they be agreed?"

Our school has determined to make the glory of God our main reason for existing. If we are to achieve this goal, every individual must abandon the glory of self and they must join hands to advance a spirit of cooperation in school activities, in school problems, and in school standards. To have seen an example of such cooperation in preparing for homecoming. Let us not let the spirit die, but let each remember that "a chain is as strong as its weakest link." May neither you nor I be that weak link and thus destroy the strength of our alma mater.

SERIOUSLY EXAMINE THE BIBLE

The eminent Dr. A. A. Robertson said, "Give a man an open Bible, an open mind, a conscience in good working order and he will have a hard time to keep from becoming a Baptist." The reason for the lack of Baptist convictions can be traced to a need of any or all of these qualifications. The predominant fault today is the absence of the "open Bible", that is, one preached in its entirety. "An open mind" in regard to the Spirit's witness is also an outstanding defect. But lastly, "a conscience in good working order", is desperately needed. Too many are either faulty or inoperative when engaged with Baptist distinctives.

A combination of these three virtues does not

WELCOMING ACTIVITIES A SUCCESS

The three-act play, "Night of January 16th," was presented on Saturday night. The cast and crew are to be congratulated on a very fine job;

The jury, chosen from the audience, consisted of several alumni along with members of the student body and guests from the town.

The float which was entered in the Cedarville Halloween parade by our school depicted a mountain stream flowing into a flowered filled garden.

ALUMNI VISIT CAMPUS

Homecoming weekend brought the Alumni here to their college campus for a weekend of full activities.

Sixteen Alumni, with Dale Thomson, as president, James Johnson as Vice President, Bernice Mick as Secretary, and Gail Smith as Treasurer, arrived on campus Saturday morning. At 9:30 they were taken on a tour of the campus to inspect the displays, and to view the construction at the new Girls' Dorm, and in the gym. In the afternoon at 4:30 there was a testimony time under the direction of Vernon Webber, who, as a Missionary from the Dominican Republic, gave a report of his work on the field.

They concluded the weekend with an Alumni member, Bill Carter, speaking in the morning service.

The spiritual application was made by using the verse "...And whosoever will, let Him take the water of life freely." Rev. 22:17

The float won second prize.

Several displays were set up by various organizations and classes for the homecoming week-end.

The Seniors had a "Welcome Home" display at the front entrance of the Administration Building which featured an open door signifying our welcome to the alumni.

The Sophomore Class displayed a sign board on the front campus with a map and a chart showing the location of our alumni over the U. S.

The girls dorm display consisted of a "Horn of Plenty" and signified the blessings of the Lord.

SPOOKS ENVADE GYM

The Halloween party was held in the College gym last Friday night after the parade.

In a dimly lit atmosphere there were bales of hay and corn stocks placed around the gym. There were skeletons, black cats, and jack-o-lanterns for background decor. The ceiling was lined with streamers and orange and black balls.

There was a judging of costumes in which Shirley Harrington—"The Hobo" took the prize for the funniest; Gordon Christian—"The Mummy"—the best concealed; A tie between Gene Christian—"The Hunchback from Notre Dame," and Fred Brooks and Keith Collett—"The Giant" for the most original.

The spookhouse was quite complete in its manner of fun. That is if you like scary things.

Keith Collett was the winner of the corn guessing contest.

There were games and relays, along with skits which Sandy Millikin directed.

Last but not least was the quartet. Prof. Dale Thompson, Jack Willetts, Jerry Thornton and Tom Shelow were the partici-

pants.

Jack Willetts was the M. C. of the evening.

automatically make one a Baptist but rather makes it difficult for one not to become a Baptist by conviction. If you are not a Baptist or simply a "Nominal Baptist", you should engage in self-examination to determine which of the three virtues you lack.

HOMECOMING TUSSLE ENDS IN TIE

On Saturday afternoon, Oct. 26, the College All-stars met the Intramural champs of the regular season on a wet and slippery field that slowed a lot of the usual action down.

The Intramural team on the toss and decided to receive.

After four downs the champs had gained only ten yards and were forced to punt.

The All-stars were also unable to move the ball openly to receive. Their defense was good enough to hold the champs in their half of the field for the entire first quarter.

Late in the second quarter it appeared as if the entire game might be a stalemate.

However, during the closing minutes of the first period U. center, quarterback of the Stars, found right end A. Carr open in the end zone and the Stars had a six-point lead. The extra-point attempt was good and the score read, 7-0, in favor of the Stars.

Soon after the touch-down play, the ball ended, and the play was retired for a ten minute rest from the wet, soggy field.

In the third quarter,

the action of both teams seemed to have an added spark as they made several threats only to have them stopped each time by determined defenses of each team.

The fourth quarter started out to be a repeat of the other three when the Champs put on a display of passing power that had characterized them in the regular season and brought them the championship. The Stars held to one last drive on the five and the play as the Stars took the ball, set a punt from one end and ran across the goal line for the tie. The point was good and the afternoon's scoring was ended.

Although both teams made some threats in the closing minutes, neither team could reach the goal, and the score at the end of the wet, hard-fought battle was Champs 7-Stars 7.
