Daywalt’s *The Day the Crayons Came Home* is a fantastic companion and follow-up to his critically acclaimed book *The Day the Crayons Quit*. Again following the antics of Duncan’s crayons, this book chronicles the adventures of Duncan’s lost or neglected crayons and their journey home. Through humorous dialog that is kid friendly yet will make the sourest adult crack a smile, Daywalt’s heartwarming story shows readers what it means to come home again, and that home constitutes the people and what you make of it. Jeffers’ childlike and adorable illustrations, appropriately done in crayon, depict the humorous trials and tribulations of the crayons and their journey back to Duncan and his crayon box. I would highly recommend this story for readers of all ages, and a book that all parents, teachers, and libraries should own, for *The Day the Crayons Came Home* has a future as a children’s literature classic. Jess Elder, Centennial Library Intern.
